

Grandview

Dedicated to Relevant ♦ Challenging Learning

Tuesday March 9th, 2021 We are happy to announce that we are going to be able to separate routes 1 and 3. Attached you will have both route 1 and route 3's times. There are a few changes to route 3 so please look over the route times and if there are any questions please call the bus garage @ 636-944-3941 ext. 2

We will have to combine the routes ***Friday March 12th for the pm route only***. This is due to a lack of sub drivers and the need for multiple drivers for sporting events. Both busses will have identical seating charts for the remainder of the year in case we need to combine both routes again.

My goal is to only combine these routes when it's absolutely necessary. Thank you for your understanding.
