PRESS RELEASE – SURVEY

Superintendent Search Process Underway – NKSD Community Invited to Participate

The North Kingstown School Department has engaged the New England School Development Council (NESDEC) to assist them in the search process for a new Superintendent of Schools.

An integral part of the process involves administrators, staff, parents, community members, and students participation in an online survey. The survey is designed to obtain participant input about the attributes, experience, and knowledge that the new superintendent should possess. The survey also provides an opportunity for participants to identify immediate tasks which the new superintendent should address.

Please access the survey at: <https://www.surveymonkey.com/r/QTFCYQ>

The survey is now open and will be open through **Thursday, June 30, 2022 at noon.**

All comments from the online survey are considered anonymous. NESDEC will organize responses by group (administrators, staff, parents, community members, and students). The responses will be provided to the School Committee in a community needs assessment report, which will be used to inform the *Successful Candidate Profile*.

The North Kingstown School Department appreciates the public's involvement in the Superintendent Search process and looks forward to hearing community members' views.
