Dear NKSD Faculty & Staff:

The search for a new superintendent of schools is well underway. An important part of the process is to solicit community input about the attributes, experiences, and desired goals for a new superintendent. This will be of valuable assistance to the School Committee and the Screening Committee as they interview the candidates.

Dr. Sally Dias, a search consultant with the New England School Development Council (NESDEC), will meet with interested faculty & staff in virtual focus groups conducted via internet video conference. Participation in a virtual focus group will require about an hour.

The virtual focus group sessions for faculty & staff will be held on **Tuesday, June 14<sup>th</sup> @ 5:00 PM and Tuesday, June 21<sup>st</sup> @ 4:45 PM.**

Faculty & staff wishing to participate in one of the virtual focus groups are invited to register in advance at one of the links below:
