

Name: _____

SUMMER MATH

Incoming Grade 6

Please fill out this math log documenting the skills you have practiced. You must make a copy of the document first before you can edit it. Click on the skill and it will bring you directly to that skill in IXL.

MAKE SURE YOU ARE LOGGED IN.

(You should see your name on the top right corner of your screen if you are logged in)

To log in:

Go to clever. Click on IXL. Sign in with google.

or

Go to <https://www.ixl.com/signin/northkingstown>. Sign in with google.

You must complete ALL 16 skills. To complete a skill we are asking that you earn a smartscore of 80 or work productively on the skill for 20 minutes.

Please give this math log to your math teacher on the first day of school.

Skill	Smartscore & Time Spent	Parent Signature
Place values in whole numbers 6th grade math		
Add and subtract whole numbers 6th grade math		
Multiply whole numbers 6th grade math		
Divide whole numbers - 2-digit divisors 6th grade math		
Round decimals 6th grade math		
Add and subtract decimal numbers 6th grade math		
Multiply decimals 6th grade math		
Division with decimal quotients 6th grade math		
Add and subtract fractions with like denominators 6th grade math		
Add and subtract fractions with unlike denominators 6th grade math		
Add and subtract mixed numbers 6th grade math		
Multiply two fractions 6th grade math		

Divide whole numbers by unit fractions using models 6th grade math		
Divide fractions by whole numbers in recipes 6th grade math		
Area of rectangles and squares 6th grade math		
Volume of cubes and rectangular prisms 6th grade math
