From the Athletic Director:

Warrior Family –

In the youth sports industry, much conversation and consternation has been given to the shortage of officials and coaches. Data tells us that the primary cause of this shortage is poor sporting behavior by participants and spectators. We certainly have encountered the effects of the official's shortage causing altered start times and the need to schedule further in advance.

I am extremely happy to report that our fans have shown up at record levels this fall, and the vast majority have brought positivity to the contests. Maintaining a positive mindset is crucial for success in athletes. Our young athletes feed off the demeanor of the crowd. Thank you for remembering to respect the game by cheering feverishly for the Warriors while respecting the officials and opponents.

To recap the fall season, Northwestern experienced much success, winning three conference titles (Women's Tennis, Men's Golf, and Women's Soccer) and finishing runner-up in Women's Cross-Country and Men's Soccer. We have a lead in the All-Sports Trophy race headed into the winter sports season.

To stay connected, follow Northwestern Athletics on Twitter, Instagram, and Facebook @nwlswarriors.

Schedules are available online at <https://northwesternhighschool.bigteams.com/>.

I think the below picture best describes the fall sports campaign. Thank you Warrior Nation!

UNITY DAY

On October 19th, Elementary students participated in the nationwide Unity Day. Our students chose to wear orange in support of bullying prevention. Hundreds of students and staff came together and made a Unity Chain. The chain symbolizes how we will continue to work against bullying in our school by showing kindness, accepting differences and including others!

Youth Football

Congratulations to our Youth JV football team on being the Central Buckeye Conference Champions! The team had an amazing season with a record of 6-1!

NINJA WARRIORS at the Elementary

Students K-6 all had the opportunity to participate in the Ninja Warrior Unit during Physical Education during the last few weeks. The students did a great job participating and moving through the 5 ninja stations. Students had to work on rolling, cartwheels, balance, jumping, teamwork, strength and cardio. It was excellent seeing students work at their own pace and level while trying new activities. Students were so excited and positive when entering the gymnasium everyday. We had over 850 Ninja Warriors participate and show that they are true WARRIORS here at Northwestern!

FFA

Members of Northwestern FFA have been busy this fall attending soil judging, mock job interviews, food science contests, the annual Farm Science Review, Ohio Legislative Leadership Conference, and National FFA Convention.

At the Ohio Legislative Leadership Conference, FFA members Bri Wildman, Grant Baker, Katelyn Boles, and Mackenzie Steele learned how to advocate for agriculture, took the role of a district legislator in an activity, and had the chance to talk with local legislators.

Twelve FFA members went to the 95th National FFA Convention in Indianapolis, Indiana. Additionally, these members had the opportunity to tour an elk farm, bacon factory, airstream camper factory, and Jungle Jim's Retail Grocery. Seth Richardson, a 2021 graduate, received his American FFA Degree on Saturday, October 29th during in the American Degree Ceremony.

During the fruit sale, FFA members sold fruit, nuts, and meat sticks. If you have any questions or would like to support FFA through this fundraiser, email Erica Hillard at hillarde@nwlschools.org.

Career Connection Class

As part of the Career Connection course offered at the Jr/Sr High, 7th grade students are learning how to Tie a Tie in preparation for their upcoming interviews. In this unit, students create a resume that they can update and utilize in the future, learn the skill of collaboration and teamwork while attempting to tie a tie, and interview for a job with real human resource directors from local businesses.

Emerging Artists

Every year the Ohio Art Education Association sponsors the “Emerging Artists” contest for students who show great promise in the visual arts. This is a juried show and all 5 of our students got their work accepted - Faith Limes, Nemecia Cardoza, Evan White, Haley Renegar, and Taylor Errett. Their art was on display at the King’s Art Complex in Columbus to recognize their work for the whole month of October. On October 29th OAEA held a reception to recognize artists and their achievements.

JR & SR HIGH NEWS:

Chalkfest

On October 1 the NW Jr/Sr High School Art Club sent 4 teams of middle and high schools students as well as one alumni group downtown to compete in the NTPRD Chalkfest Competition. They worked for 6+ hours on their chalk masterpieces and they came out great!
