SENECA EAST ELEMENTARY SCHOOL

13343 E.U.S. Highway 224, Attica, OH 44807

Dear Parents/Guardians:

Soon your child will be beginning a new and exciting phase of life; entering kindergarten. To make this transition easier for both of you, there are certain details that must be completed before your child enters school. The following information is needed by the state of Ohio for all children to have on file at the school they will be attending:

1. The Ohio School Health History form
2. A copy of an up to date Immunization Record
3. The Ohio Department of Health Physical Examination form - signed by a physician
4. The Ohio Department of Health Oral Assessment form

All of the above papers are brought to your child's kindergarten screening appointment (if not turned in earlier). The Ohio School History Form should be filled out completely by you. The required immunizations in the state of Ohio for entrance into kindergarten are as follows:

- 5 doses of Diphtheria, Tetanus and Pertussis Vaccine
- 4 doses of Polio Vaccine
- 3 doses of Hepatitis B Vaccine
- 2 doses of Measles, Mumps and Rubella Vaccine
- 2 doses of Varicella Vaccine (chickenpox vaccine)

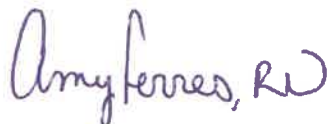

(If the child has had chickenpox, proof of disease per parent description is required)

Please make an appointment now with either your private physician or local health department to ensure all immunizations are completed in a timely manner. The Seneca County Health Department phone number is 419/447-3691, ext. 352 or 800/698-3691. (If you have Medicaid, you must bring your current medical card.)

YOUR CHILD WILL BE EXCLUDED FROM SCHOOL IF REQUIRED IMMUNIZATIONS ARE NOT UP TO DATE.

I look forward to meeting each of you on the day of your child's kindergarten screening to review all paperwork.

Sincerely,

Amy Ferres, RN
Seneca East Local School District Nurse

- Teach your child how to listen and follow oral directions.
- Teach your child the importance of getting along with others.

*****Important Date (if pandemic restrictions will allow this year)*****

Open House will be held on **Thursday, August 17, 2023**. The Kindergarten teachers will each hold a meeting in his/her classroom at **5:30 p.m.** This meeting is very important to attend so you can learn, understand, and ask questions about the procedures and routines for your child's Kindergarten classroom! Look for an email from your child's Kindergarten teacher in early August with more details!

The Open House for Grades 1-5 will begin at 6:00 p.m. following the meetings.

Dear Parents,

All children enrolling in kindergarten for the 2023-2024 school year receive a speech and language screening. These screenings will take place during the first few weeks of school. The purpose of the screenings are to identify children with errors in their speech production. It also identifies deficits in their language abilities such as inability to relate to experiences, compare objects, sequencing, describing, basic concepts, etc.

Children in kindergarten should have mastered the following sounds: P, B, M, N, NG ("ing"), T, D, W, F, V, K, G, H, Y, and vowels. These sounds should be produced correctly at this age (approximately 5 years old). If an error is found to exist in **several** of these sounds, the child may be recommended for speech interventions and/or evaluation during the kindergarten year. Sounds such as: R, S, Z, TH, L, CH, SH, S and L blends are more advanced in normal speech development, and often develop naturally without speech therapy by the age of 7+. These sounds depend on maturity and proper dentition which may take until second grade to fully develop. It is true that some children do talk fluently as young as 3 or 4 years of age without noticeable errors. Parents should also be aware that speech errors may appear later on due to dentition.

Parents are always informed of any and all information pertaining to their child in regard to speech/language interventions, steps to an evaluation, and therapy. I hope that this information will give you as parents an insight to the case selection of students for speech therapy during the kindergarten year.

If you have any questions or request additional information, please feel free to contact me by phone or via email. Thank you!
