ACHIEVEMENT IN THE MAKING.

Meeting a challenge takes more than muscle. It takes not giving up, pushing back or bringing any less than your all. As a student-athlete, you'll be prepared for all that awaits you. Here, you play for love and train for life. And that means always going the distance.

WIN MORE THAN THE GAME.

As a Division II school, scholarship stands in the same winner's circle as athleticism. Beyond top rankings and honors, you'll play the right way – with honor and sportsmanship.

What holds teams together is more than the camaraderie. Service gives student-athletes a chance to come together to make a difference in

communities around the world. In 2015, 15 soccer players, with their coach in tow, headed to Haiti to build a soccer field, conduct youth clinics, bringing enjoyment, and helping local residents. The players left with new relationships, experiences, and lessons to enrich their lives going forward.

YOUR CENTER FOR EVERYTHING.

Think of Schwitzer Student Center as your campus living room. Spend downtime playing pool or ping-pong, watching TV or studying. Grab dinner at The Marketplace, the main dining area on campus, or grab something to go, like a fuel-up coffee from "The Perk." Get centered in the McCleary Chapel and Meditation Room.

MEET GRADY!

UIndy's live mascot program has returned for the first time in nearly 40 years. Grady is a three-year-old retired racer from Daytona, Florida who arrived on campus for his new job in 2019.

FITNESS

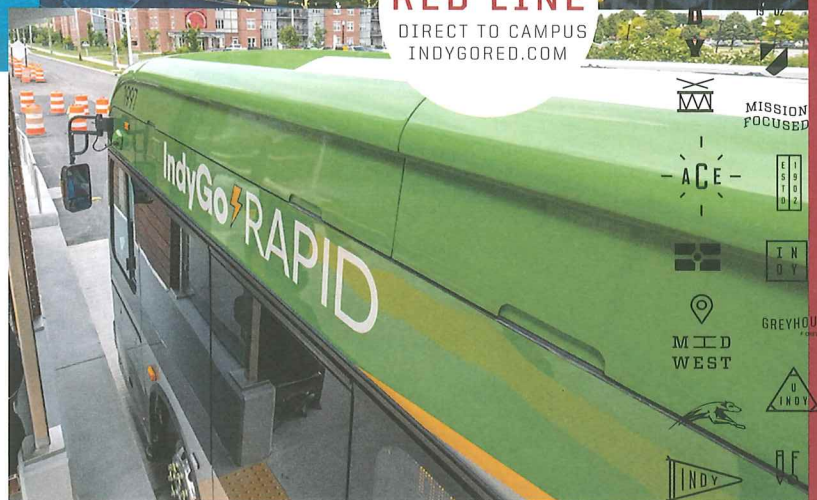

Stay active and motivated with the many state-of-the-art fitness facilities on campus. Not sure where to start? Hit up the UIndy Fitness Center on the lower level of the Ruth Lilly Fitness Center or utilize our 90,200-square-foot Athletics and Recreation Center (ARC), which served as the New York Giants practice site for the 2012 Super Bowl.

UINDY.EDU/RESIDENCE-LIFE

EXTEND YOUR EDUCATION.

IN AN ACADEMIC ECOSYSTEM INTERCONNECTED WITH THE CITY OF INDIANAPOLIS, YOU'RE SURROUNDED WITH A MYRIAD OF OPPORTUNITIES TO GROW AND EMERGE GREATER, INCLUDING INTERNSHIPS, EXPERIENTIAL LEARNING, MUSEUMS, MUSIC, CULTURE, SERVICE, AND MORE. SO, CULTIVATE YOUR PASSIONS, ENHANCE YOUR EDUCATION, AND TAKE ADVANTAGE OF ALL THAT OUR UNIQUE CITY HAS TO OFFER.

One minute you're admiring an O'Keefe or finding common ground with Calder at the Indianapolis Museum of Art and the next, you're shouting encouragement from the sidelines of a Colts game. Or, you're noshing in Fountain Square then communing with nature at Eagle Creek Park. It's all part of you.

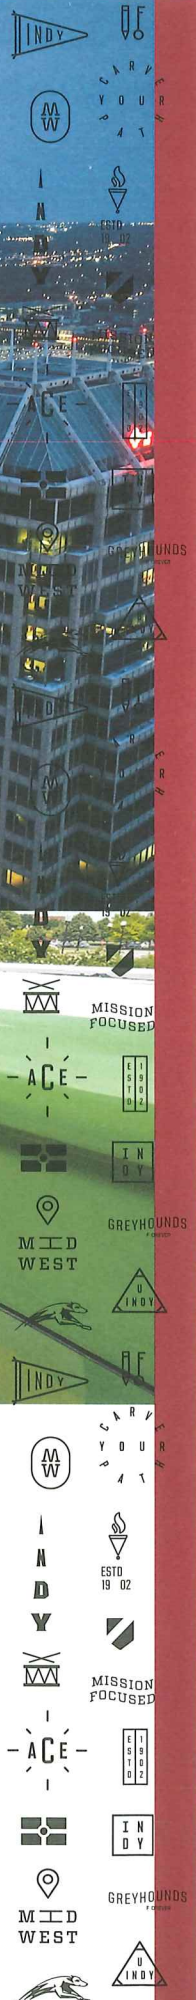

ESTABLISHED CORPORATIONS //

INDEPENDENT BUSINESSES //

90,000 have fewer than ten employees, and another 35,000 have fewer than 50.

▲ Ulndy's exciting growth and development is not limited to the boundaries of campus. It's having a positive impact on the surrounding community as well. You have the opportunity to be more fully connected to the City of Indianapolis via the Red Line – a rapid-transit electric bus service that links the Ulndy campus to downtown Indianapolis and dozens of other destinations, all teeming with arts, culture and entertainment.

MAKE THE WORLD

YOUR CLASSROOM.

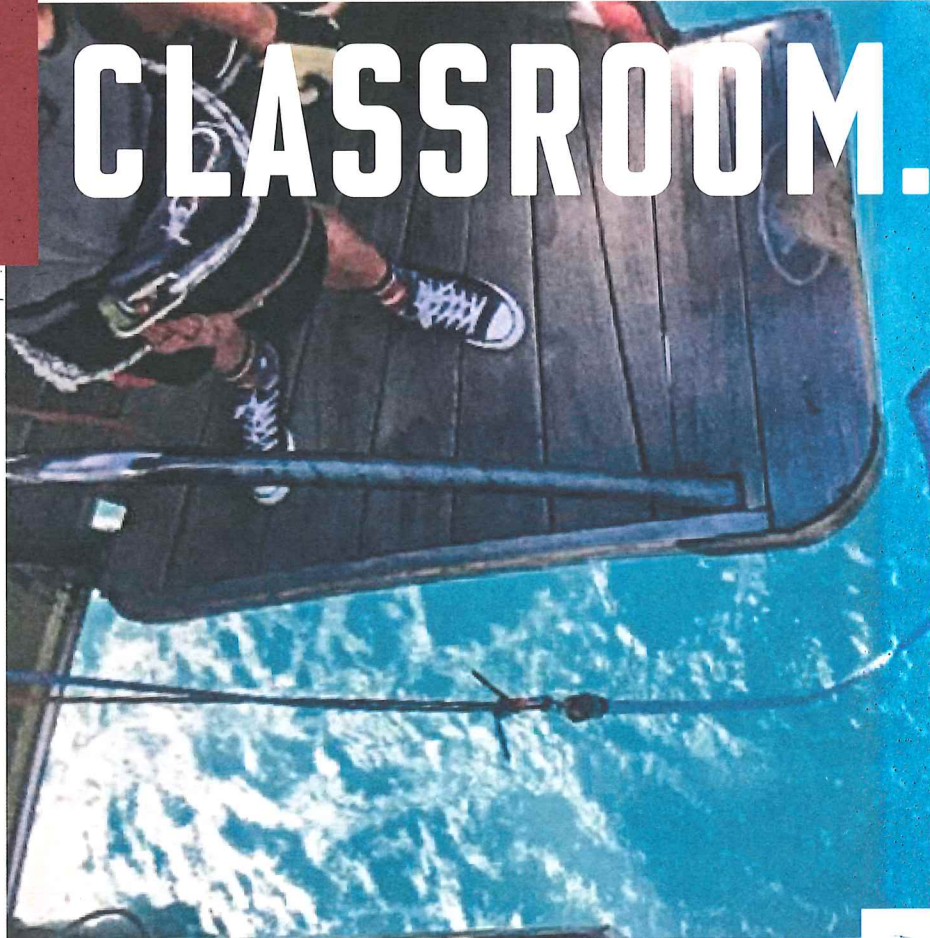

STUDY ABROAD //

THE FUTURE (AND THE WORLD) IS YOURS

Ever wanted to visit new places and learn the culture? At UIndy, you can! Through UIndy's Center for Global Engagement, students have the opportunity to immerse themselves as they travel abroad to develop cross-cultural skills, all while earning credit toward their University degree.

The best way to learn a language is to be immersed in its culture. Many of the programs offered by the University of Indianapolis allow language majors and minors to spend time with a host family, experiencing their language and culture firsthand.

You might be hired by an international firm to work in their overseas offices because you spent a semester there as a University of Indianapolis study-abroad student.

"ITALY REFRESHED ME AND REMINDED ME OF EVERYTHING I WANT TO DO WITH A CAREER IN TEACHING. IT OPENED MY EYES TO HOW I CAN INCORPORATE NEW ACTIVITIES INTO MY CLASSROOM AND INFUSE CREATIVITY INTO MY LESSON PLANNING."

NEW PLACES. NEW ADVENTURES.

Craig Chigadza '21, a psychology and international relations double major, traveled to Shanghai, China, for a 10-week fellowship program with Learning Leaders. Part of his 2019 National Speech Championship win, the opportunity included travel and accommodations, a stipend, Mandarin lessons, and the chance to network with like-minded people from around the world.

"I WOULD BE LYING IF I SAID I EVER THOUGHT SPEECH WOULD TAKE ME THIS FAR IN LIFE. IT STARTED AS A 'THING TO DO' AND NOW I'M REALIZING THE OPPORTUNITIES AND ADVENTURES IT CAN OPEN UP"

— Craig Anesu Chigadza '21
