Dr. Thomas Lind, Superintendent

03/05/2021

To the Nippersink SD 2 Community:

We have been informed by the MCDH that all District 2 staff will receive their second vaccination shot on Thursday, March 11. This represents a big step forward in protecting our staff and getting our students back into school full time. Due to the date and times we have been given for the vaccination clinic, we have had to make an adjustment to next week's school schedule. Please see the changes below.

Schedule Changes for NEXT WEEK

THURSDAY, MARCH 11TH

Our previously scheduled early dismissal day for Friday will change to Thursday. **B Day students** will attend in person or via zoom as normal. Start times will remain the same. Early dismissal times are listed below.

NMS 10:50

RGS & SGE 11:45

FRIDAY, MARCH 12TH

Although staff vaccinations will take place on Thursday, it is common to experience mild to severe side effects following the second vaccination shot. Therefore, Friday will be an asynchronous learning day and there will be no in person learning.

Asynchronous learning for all A Day students.

- All work for **NMS** will be posted by 7:45.
- All work for **RGS & SGE** will be posted by 8:45.
- All school buildings will be closed.
- Attendance will be taken via email through a Google form. Students or parents should complete this form by 1:00PM on Friday.
- NO office hours will be held.

Thank you,

Dr. Tom Lind
Superintendent
