Dear Parents and Guardians,

I hope you all had a rich and blessed Thanksgiving. The week of Thanksgiving is my favorite week of the year. It is a time to spend with family, get out the Christmas decorations, watch holiday movies and football, shop for those near and dear to my heart and cook some of my favorite dishes. I have come to understand and appreciate that this week is about making memories with family. Snuggling on the floor watching *The Grinch* or answering dozens of questions about each ornament as it's placed on the tree are the moments that I will always hold near and dear to my heart.

The window between Thanksgiving and Christmas break is also a very special time. Winter sports teams will begin their seasons, the choir and band will host their Christmas concert, Quiz Bowl competitions are hosted at LCC, and preparation for first semester exams will be underway before long. This time of year, it can be easy to get caught up in the hustle and bustle of the holiday season. How can we as adults continue to teach our children to be grateful and giving?

In addition to the aforementioned school activities, LCC has once again committed itself to helping with various organizations during the Christmas season. The Marines will be here next week to collect our two Toys for Tots boxes. If you are out and about, please consider picking up a new, unwrapped gift for a little boy or girl in need. We are also working with Big Brothers, Big Sisters and adopting two local families who are in need. I will be receiving specific item requests from the organization this week and will send those out in a later email. At our Lima Catholic Community Mass on December 8th, we will have a representative for the organization on hand to accept the items and then deliver them to each family. Lastly, on December 10th, student volunteers can help stuff bags for the Give a Christmas campaign at St. Charles beginning at 11:30 a.m. Sign up sheets will be in your student's Theology class this week.

Charitable giving of time and treasure is important this holiday season. Anything you and your students are able to do in the coming weeks is very much appreciated. Through Christ, we Lead, SERVE and Excel. Have a great week T-Birds!

Blessings,
Mrs. Williams
