## KINDERGARTEN CORE SUBJECTS

Hands-on reading, writing, and math are an integral part of a kindergartner's day. Social Emotional skills are taught and practiced daily.

## KINDERGARTEN SPECIALS

Kindergarten students also benefit from a wide range of educational experiences through technology instruction, music, physical education, art, and library classes

## AFTER SCHOOL CARE

Each elementary offers after school care on regular school days and early release days until 5:30 pm daily. Enrollment is required.
