

## **FAYETTEVILLE HIGH SCHOOL Seniors:**

### **IT'S TIME FOR LOCAL SCHOLARSHIPS!!!**

I have opened the portal for Local Scholarship applications. If you would like to apply for local scholarships, please complete and submit the form below by April 21st. Late applications will not be accepted. The portal automatically closes at 3:00 PM on 4/21/2023.

This form will be used to apply to local scholarships such as the Lou Johnson Scholarship, The Dominick Brady ZO scholarship, Kiley's Market Scholarship, Knights of Columbus Scholarship, Lake Lorelei Legend Scholarship, Ripley Boat Club, Brown County Water, and the American Legion Scholarship--along with many others.

You only need to submit one application to be considered for any of the local scholarships. Please note--the Terry's Grocery, The Fayetteville Boosters, and The Rhonda Connor Scholarship (and maybe others) all use their own applications--so I will send them along as I receive them. If it is a local scholarship that is decided using our own committee, we will use this form. Please continue to check your email regarding scholarships.

Be sure you completely answer the questions. Typically, the better you respond to the questions, the more likely you are to win a scholarship. The committee is looking for well-written, thoughtful, complete responses. The questions are meant to be extended responses--do not be lazy! Thoroughly answer the questions. Remember, you are trying to convince the committee to select you for these scholarships! Give them something to work with and really make an effort. A lot of money is on the line!
