A POSITIVE START TO THE SCHOOL YEAR

BY BRETT SIMPSON, CERHS PRINCIPAL

The 2018-19 school year is off to a positive start thanks to the dedication of staff, students, and parents. We have 230 students currently enrolled at the high school. Currently, four of our students are earning high school credit while working via our Career and Technical Program. We also have many of our juniors and seniors earning college credit through our Running Start partnership with Central Washington University and even more working to earn college credit in English and math through our College in the High School/Cornerstone Program on our campus.

This summer we added additional computers for student use in the building. This provides students with more opportunities to utilize the world around them to better their learning and presentations.

A special thank you to teachers David Aldrich, Charli Harper, Callie Keller, and George Kreppin for organizing an Open House for the parents of the students in their respective classes. Parents were given an opportunity to learn about their child's class and ask questions of the teacher.

Character Strong

BY MRS. HOUSEBERG

Over the summer the high school sent seven teachers to Kennewick to participate in the Character Strong training. Character Strong is a program designed to help schools infuse character and social emotional learning with academics. Research says when a school takes time to promote a culture of character and develop social-emotional skills, grades increase and negative behaviors decrease. The high school has adopted the Character Strong curriculum and is implementing the program through advisory. This year students were placed in mixed grade-level advisories as a way of building relationships and mentoring. Through the Character Strong program and advisory, we hope to create a culture that values community, leadership, and compassion.

This year we hope to help students build their character by teaching them the 8 Essentials: kindness, honesty, patience, respect, humility, selflessness, forgiveness, and commitment. We hope to help students strengthen their character with intentional workouts that will help them develop the 8 Essentials. In the words of the Character Strong team, "Personality is what you wear to the gym; character is how hard you work out."

A LOOK AT ATHLETICS

BY DEBBIE BENTLER

The Warrior soccer team consists of 14 athletes and is 5-2, currently 3rd place in the West Division of the SCAC. Grace Terrill and Grace Jackson are the stat leaders while multiple girls are finding the back of the net, assisting and performing in ways that aren't recorded by goals and assists. Karley Burrows has really stepped up as the goal keeper. Coach Fletcher says "Each player brings something to the team that makes the unit strong and cohesive, and leads in their own way." Seniors will be recognized on October 23rd, the final home game vs Granger.

Cross country is off and running with a small, yet talented group (4 boys, 1 girl). Coach Bell states that "The team is shaping up great this year with three newcomers, looking forward to a great running season!" At the Connell Invite Brady Norish ran great for his first run of the season. Karl Merkel finished strong by over taking the runner in front of him in the last 2 seconds of the race. Seniors were recognized at the home meet on September 27th.

The football team has 30 members, as we rebuild. Joey Moen is a returning senior being asked to contribute at multiple positions. Heading into the second half of the season the guys continue to play hard and look forward to the upcoming homecoming game on Oct. 12 vs Granger. Seniors will be recognized on October 26th, the final home game vs Zillah.

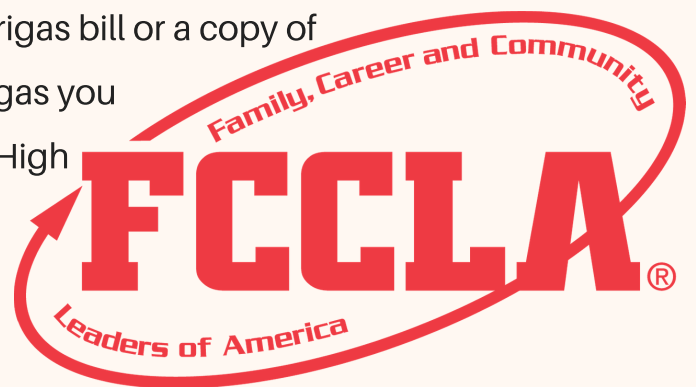

Volleyball has a new pair of coaches and 21 players this year. They have been busy integrating new offenses and defenses, with the addition of several new players. With a record of 1-6, Coach Pat Garriss states "The players are making strides in skills and teamwork." Naomi Baker has a high of 35 kills, with Davi Vaughn who has put down 25 for the season thus far. They will recognize the seniors on Oct. 23 vs Granger.

THANK YOU!

THANK YOU Cle Elum-Roslyn High School Parents and staff!!

Because you submitted your Amerigas receipts, we earned \$209 last year!! Keep those receipts coming please! FCCLA is continuing our fundraiser with Amerigas & continue to need your help - just send your monthly Amerigas bill or a copy of that bill and we get \$.02 for EVERY gallon of gas you used. Please bring your Amerigas bills to the High School Office or room 302 (Bender's)!

THANK YOU AGAIN for last year's receipts

and THANK YOU IN ADVANCE for your help this coming year!! We are saving to attend regional and state competitions.

THANK YOU!

CERHS wants to give thanks to the following people: Thad Vaughn and Max Haverfield, JT Custom Homes; Todd Horn, Apline Home Inspection; Scott Warren, Old #3; and Eric Terrill, LPL Financial for all their work to build the "Burger Shack" in preparation for last week's home football game. The hamburgers have been donated by Todd Horn. All the proceeds from the sale of hamburgers goes to the Warrior Athletic Boosters.

CONGRATULATIONS CERHS BAND!

Under the direction of Mr. Nick Maupoux the Cle Elum Roslyn High School Marching Band and Color Guard took top honors in Pasco this past weekend. In the single A division they were awarded: • Best Brass & Winds • Best Color Guard • Best Visual • 1st Place Congratulations Warriors!
