Keeping the Warriors Informed

## Welcome Back Warriors!

By Sammy Craven

September 9<sup>th</sup> started the beginning of another great school year that was kicked off with the cheerleaders greeting students as they arrived and a fantastic assembly put on by ASB. Let's begin the school year with good academics by keeping your grades up. Athletes keep the wins coming and stay eligible. Students come support your school by coming to the games wearing Warrior gear and cheering on the Warriors.

The new school year brings massive amounts of paperwork so if you have not turned in your syllabuses, parking permit forms, lunch release forms, IT forms, and 18-year-old contracts you need to do that as soon as possible.

This year we have many amazing new staff members who we need to get to know and welcome. The new Warrior staff includes: Ms. Deboer (Vocational Ag, Science, and FFA), Ms. McBride (Biology and Chemistry), Mr. Kreppein (Math and Physics), Mr. Johnson (College Math), and Dean of Students Mrs. Hull.

If you have any Homecoming questions please ask a member of ASB or a class advisor.

Class of 2016- Mrs. Brooks  
Class of 2017- Mrs. Hill  
Class of 2018- Mrs. Wilson  
Class of 2019- Mrs. Houseberg

## HOMECOMING 2015

By Kaytlin Kauzlarich

October 12<sup>th</sup>-16<sup>th</sup> marks one of the most exciting times at CERHS, HOMECOMING WEEK!!! It isn't uncommon to see both students and staff looking borderline insane! The week is filled with fun activities and movie themed days. Each day one of the classes is responsible for putting on an assembly where they do a skit, recognize a sport, and create a class competition game. Students are encouraged to dress up everyday and participate in all of the afterschool activities. Don't forget to wear the theme of the day to try and get 100% for participation for your grade! NO WEAPONS ALLOWED!

- Monday, October 12<sup>th</sup>: Marvel Day/Sophomore Assembly- dress us as your favorite Marvel superhero and keep CERHS safe from the villains who look to wreak havoc.
  - Monday Night: Hallway decorations 3:00-8:00
- Tuesday, October 13<sup>th</sup>: Sci-Fi/Junior Assembly- things might get a little weird so make sure you are prepared to dodge aliens.
- Wednesday, October 14<sup>th</sup>: Western/Freshmen Assembly- dress up as John Wayne and protect your money. You never know when a bank robbery might occur.
  - Wednesday Night: Manly Man Volleyball/Powder-puff Football. MM begins at 5:30, PP begins at 6:30.
- Thursday, October 15<sup>th</sup>: Disney-Pixar/Senior Assembly- look for princess to be prancing around campus looking for their Prince Charmings.
- Friday, October 16<sup>th</sup>: Warrior Pride- wear as much Warrior gear as you own! There is no such thing as too much maroon and gold!
  - Friday Night: Football game 7:00 and dance 9:30-12:00 at the HS gym.
  - Dance Cost: \$10 with ASB, \$12 without ASB.

"Hard Work Pays Off"

## Running with the Warrior Cross Country team

By Chase Marquette

Eric Merkel is a sophomore runner and team captain for the Cross-Country team. Eric has run cross-country for three years now and says he will definitely run again next year. We asked Eric who his biggest supporter is, "Bryce, our coach and Adam Rinaldi. I try hard to keep up but he is really fast," Eric said. He chose cross-country because he doesn't like football and he likes to run. Eric told us about their practices as well, "We run a half-mile, then our main run which is usually 2-5 miles. Then we run another half-mile cool down and then we stretch." He also mentioned that they play ultimate Frisbee on Fridays. They do have tough competitors, but mainly Connell. "It's dusty and the last stretch is all uphill. But if not Connell, then home is the hardest," Merkel said. Cross Country has one home meet on October 8<sup>th</sup> at 4:00.

## WARRIOR SOCCER IS ON FIRE!

The Warrior soccer team is off to a great start this season with a 2-4 record racking up wins again Ki-Be, Granger. The ladies suffered a heart-breaking shoot out loss to Connell, but the Warriors kept their heads high and played their hearts out. The team has high hopes of making it to post season play because this is one of the best soccer teams in school history. The team is led by eight seniors who only have one thing in mind...WINNING! Sparking the offense are

speedsters Holly, Terrill, Klarissa Hilkey and Alena Burchak. Opponents don't stand a chance against seniors Courtney Brown, Liz Webb, and Kayla Holmes. Aside from a talented group of seniors, the Warriors have a mean group of sophomores who are looking to take down anyone who gets in their way. Come support the tribe for their final home games of the season on October 6<sup>th</sup>, 13<sup>th</sup>, and 22<sup>nd</sup>.

## Getting to know JV Volleyball Player, Stephanie Pauley

By Emmalee Sargent

**Emmalee Sargent:** “Was it pretty exciting becoming captain of the B team?”

**Stephanie Pauley:** “Yes. It was super exciting.”

**E:** “Do you look up to anyone that has giving you confidence?”

**S:** “Shayna Hyatt gives me confidence because I can see that she has self-confidence and confidence in her team.”

**E:** “When did you first become interested in the sport?”

**S:** “I started playing in seventh grade and I really enjoyed it”

**E:** “Have you ever had any serious injuries that prevented you from playing?”

**S:** “Well, I wanted to play in eighth grade but I wasn’t able to do anything because my knee was

## Warrior Volleyball

By Kaytlin Kauzlarich

The Warrior volleyball team is off to a slower start than anticipated. The ladies continue to dedicate themselves to their sport by pushing their bodies to the limits everyday at practice. Despite a few hiccups, the Warriors have been successfully by crushing Wahluke and Highland. The volleyball team is led by senior Shayna Hyatt and junior Lydia Weis. Sophomore Bricky McBride said, “We want to be underestimated by our opponents, so when we face them we can catch them off guard and destroy them!” The ladies have two final home completions on October 24 and 29<sup>th</sup>.

## Friday Night Lights

By Maddie McBride

Head football coach Brian Avery started coaching in 2001. He coached 7 years for college ball and so far he has coached 6 years of high school ball. His favorite part of coaching is bonding with the players and the excitement of the Friday night-lights. Coaching high school football is a tough job that involves making sure there are no questions about the game plan and making sure everyone knows how to dominate. Every Thursday the team has team dinner and after that the coaches have a meeting to finalize Friday's game plan. Coach Avery believes the team has the potential to make it to playoffs and possibly make it to state. He is excited for years to come and there is a lot of new talent and he enjoys working with the coaches. Although the football team is not off to the start they hoped for they are improving everyday. The Warriors are currently 1-4, but looking to improve their record this Friday when they travel to La Salle. The Warriors return home on 10/16 when they host Goldendale. Leading the charge for the Warriors are Dalton Hawk, Emanuel Sanchez, Jack Moen, Evan Foust, and Tyler Anderson.

### **Athlete of the Month- Courtney Brown**

By Chase Marquette

Courtney Brown is Our Tribe's Athlete of the Month. She is a goalie for the girls' soccer team and made 1<sup>st</sup> team all-league last year as a junior. Courtney is an active member of ASB, takes college courses, and maintains above a 3.5 gpa. Athletic Director, Mr. Yount says, "She is the best goalie in the league" and he has nominated Courtney for her efforts on and off the field. He says she is the true meaning of what it means to be a Warrior. She is the leader of the soccer team and a star in the classroom, leading her peers. Against Naches Courtney easily had 30 saves, only allowing four balls to pass her. When asked what makes Courtney a special player, assistant soccer coach Charli Harper said goes the extra mile to push her teammates. She is hard on them, but not mean. She wants her team to function as one tribe and not individuals.

## WARRIOR ACADEMICS

### CERHS STUDENT OF THE MONTH – TYLER ANDERSON

By Mrs. Houseberg

Sophomore Tyler Anderson is September's student of the month. He is recognized for his academic success, leadership, and overall niceness. Tyler manages straight A's while taking rigorous courses such as Anthropology, Biology, World History, English, Geometry, and Algebra 2. Not only does Tyler maintain exceptional grades, he is also a dedicated member of the Warrior football team. Math and science teacher Mrs. Spawn nominated Tyler because he is an outstanding student who wants to succeed. Tyler is my CERHS version of Captain America. He has a strong, positive spirit, and leads by example. Tyler supports his classmates and encourages them to do their best in all classes. He is active in sports and is always ready to go the extra mile for his school and those within.

### MATH NEWS

By Elizabeth Kaestner

Each month OUR TRIBE will spotlight one academic department. This month the spotlight light is on math.

Starting the year off Algebra 1 has been reviewing chapter 2. They have taken a few placement tests, and also taken MAP testing.

In Geometry students have been studying line and planes, measuring segments and planes, and they have been exploring angle pairs.

In Algebra 2 students have been reviewing chapter 2-5, from algebra 1. They have only taken a few tests.

Pre-Cal and Calculus have been refreshing their skills in geometry and algebra. They will start hitting the hard stuff soon.

All of these classes offer help at some point in the day. Ask the teacher when a good time for them would be, before you assume they will be able to help you. Most teachers are available for help before school, in class, during flex, and after school.

This year's math teachers include Mr. Avery, Mrs. Spawn, and Mr. Kreppein.

### JOIN A CLUB!

There are many extracurricular activities that students are encouraged to participate in. The following clubs are offered at CERHS: **FFA (DeBoer), FCCLA (Bender), FPS (Ficele), National Honor Society (Harper), Key Club, Fiesta Club, (Aldrich) Rocket Club (Avery), InterAct, and ASB (Brooks)**. If you are interested in joining a club talk to member for meeting information.

## WARRIOR SPIRIT

### #WARRIORFAM FRIDAYS

This year the Warrior leadership class is challenging students to have more school spirit. Show your Warrior pride by wearing maroon and gold every Friday and to all home sporting events!

**HOW TO EARN POINTS:** Students who wear WARRIOR gear on Fridays will receive 1 point for their grade level. Students who attend varsity sports games and check in will receive 2 points for their grade level.

**COLLECTING POINTS:** Leadership students will come around at the beginning of 3<sup>rd</sup> period and tally students who wore WARRIOR gear on Fridays.

**COUNTING POINTS:** Points will be based on a percentage of participating students. Leadership will be updating students on the competition as the fall season goes on.

**WINNERS:** The winning grade level will get to choose between an ice cream party or a pizza party one day at lunch time.

**Don't forget, Warrior Fam Fridays are every Friday this year, not just during football**

### SPOTLIGHT TEACHER- Miss DeBoer

By Paige Stucke

Our Tribe's Teacher of this Month is Miss Jessica DeBoer. Miss DeBoer is one of CERHS' newest staff members. She teaches Freshmen Science, Plant Science, and leadership. She's from Sedro-Woolley, WA and went to WSU. Her hobbies include making brownies, playing soccer, backpacking, and Cougar football (she's a super fan). Crimson is her favorite color because the cougar colors. Miss DeBoer's

passion for teaching started when she was in high school; that is when she decided she wanted to become a teacher. If she were not a teacher, she would want to be a massage therapist. Miss DeBoer's been a teacher since May 18<sup>th</sup> of this year. Her favorite subject to teach is horticulture. If she could live anywhere in the entire world she'd either live in Alaska or New Zealand. One of Miss DeBoer's odd talents is she can wiggle her ears. She has a fear of German shepherds. In high school she played soccer, volleyball, basketball, track, and tennis. She loves garlic and hates tomatoes. If she could visit any country she'd go to Greece. Hopefully you've gotten to know one of our new teachers a little bit more than you already did. And of course, how could we do an article about Miss DeBoer without saying her favorite quote...GO COUGS!
