

OUR TRIBE

2ND EDITION

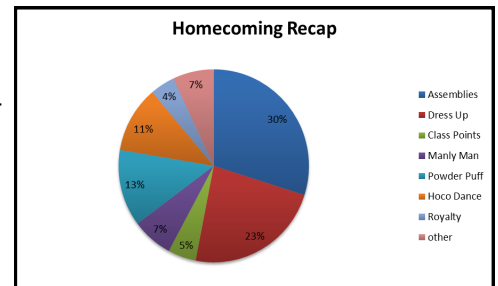

NOVEMBER 2015

Homecoming Recap

At the homecoming football game during half time, the homecoming royalty went down and stood on the track, and had a few things stated about them like names, who their parents were, thanks to friends and family, and what they want their career to be. At the dance there was music to dance too, and drinks, snacks and pizza being sold. There was a spot to get pictures taken. For the pictures you could either take a normal picture or you could use props, the props varied from hats to fake lips. Manly man and powder puff is the tradition-of guys getting the chance to play volleyball and girls getting the chance to play football. The classes would compete for the championship for point bonuses. A bitter rivalry arose between the sophomores and seniors. But, as

usual, the seniors came out on top, in both manly man and powder puff. Homecoming week was a success! To start it off, it was Marvel Monday. Marvels was the sophomores day. At the assembly they had our schools rival, the Timberwolves battle against all the superheroes, no one could stop the Timberwolves, until warrior man came out a defeated him. The next day was Sci-Fi Tuesday. Sci-Fi was juniors day. At the junior assembly they're was many things happening like tron being acted out, Star Wars being acted out, and even E.T was involved. Wednesday was Western. Western day was the freshman day. At the western themed assembly someone fell asleep and dreamed about a intense

bank robbery causing a hilarious dance off. After that there was a tug of war, which started the sophomore vs. senior rivalry. On Thursday it was Disney day. Seniors had this day, their assembly involved many seniors dancing to highschool musical. On Friday was Straight Outta Cle town. It was were everyone dressed up in warrior stuff. The assembly involved a story told by Mr. Avery, and the football players getting recognition.

What was your favorite part of Homecoming?

Veteran's Day

Veteran's Day is coming up on November 11th, there will be no school so we can honor all of those who have served. Don't just enjoy your day off; make it a point to thank at least one veteran. We will have an assembly on the 10th honoring our local veterans and will announce the winner of the patriot essay. On the 10th you'll have plenty of time to thank the Veterans like Mr. Avery, Mr. Hyde, Jack the bus driver, Coach Sherrill who are just a few of the staff members of our district who have actively enlisted in our armed forces. Veteran's Day is a day to honor and remember the ones who have protected our country, the ones who have fallen in battle, or passed from over the years. Veterans fought for our country to give you the freedom to make you own choices and there is still veterans fighting to keep our country safe for future generations. Mr. Avery said "Veteran's Day makes me stop and reflect on the values of our country. So, important men have given their lives for our country." Veteran's Day was first called Armistice Day. On November 11th, 1918 President Woodrow Wilson proclaimed November 11th as the first commemoration of Armistice Day. In 1938 Veterans Day became a national holiday. In honor of all the men and women who have served or who are currently serving, please read red, white, and blue to show your appreciation.

Why We Love Mr.

Kreppein!

"Mr. Kreppein is a very punky guy who brings spirit into the classroom and inspires us to become better students" - Mikaila Montgomery

"He knows how to bring fun into the classroom without getting off task" -Jamie Campbell

"Mr. Kreppein is able to influence us to and the way he teaches makes us want to become better students" -Karver DeWitt

"He's a really good teacher who makes math interesting!" - Katia Aguilar Naranjo

"He does a good job of explaining things and helps me understand" -Brooks Norrish

Student of the Month

By: Claudia Farnum

Junior Theoren Neal is Our Tribe's October student of the month. Mr. Hamel nominated Theo because of the contributions he makes to his Junior English Class. Mr. Hamel said, "Theoren shows great aptitude in Junior English. He stays on task and always has an insightful comment about the content of our assignment. Theoren gets the bigger picture and he makes connections between the reading and the outside world: whether it's how we apply "life, liberty, and the pursuit of happiness" in our modern society or connecting the transcendental experience to the seashore of Seward, Alaska. This is an attribute

every teacher wishes to instill in all our students. I want to thank Theoren for his contribution to his class and to the school." Congratulations Theoren for your outstanding efforts and being such a great contribution to CERHS.

Featured Department— SCIENCE

In Ms. DeBoer's freshman class, they have been talking about weather patterns and weathering resulting naturally from global science. We interviewed Collin Cote to tell us more. He says that he enjoys learning but would get a better experience if he were to get more hands-on work. Liz Kaestner says she likes Ms. DeBoer's style of teaching because it's easier for her to understand. In Mr. Kreppein's senior class, they are learning about Newton's law. We interviewed Dawson to see what a student's perception would be. He says that his favorite part about being in class is when he gets to work on labs with friends. Usually, when you work with friends it makes the assignment fly by because you're having a lot of fun, while staying on task. Ms. McBride is teaching her sophomore class about the basics in Biology. We interviewed Anna Kelly to fill us in. She says her favorite part about biology is when they do experiments in the labs. She thinks it is very entertaining and makes the topic easier to understand.

Teacher Spotlight

We sat down and talked to Mr. Kreppein about his life and how he got to Cerhs. He Graduated from Olympic high School located in Bremerton, WA and he says that he earned his bachelor's Degree from Central Washington University. He also is currently in the process of getting his Master's Degree from Western Washington University. Mr. Kreppein also told us that he has taught for 3 years professionally and was a Teacher Assistant for 2 years before becoming a teacher. The biggest supporter for him is his wife and Mr. Kreppein mentioned that faculty wise, Mr. Aldrich was his biggest supporter from the school. We also wanted to get to know Mr. Kreppein and what he likes to do in his free time. He says that he enjoys playing nerdy board games, rock climbing, and watching Netflix. He has two pets, a cat and a dog. The cat's name is enigma and the dog's name is neutron. He also says that he is not a Seahawks fan! Instead he enjoys cheering on the New York Giants. And when asked, Mr. Kreppein would choose orange juice rather than apple juice and Pepsi instead of Coke.

Fall Sports Recap

Football Finishes the Season with Back to Back Wins!

By Chase Marquette

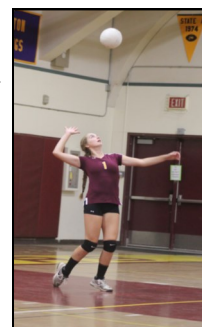

Despite having a 4-6 season the Warrior football team had four impressive wins, but nothing topped the season finale against Riverview. The Warriors wore throwback jerseys and played with the take no prisoners mentality. Highlights of the game included a kick return ran back for a touchdown by Emanuel Sanchez, a pick six interception also by Sanchez, a trick play where Nolan Wait pretended to be the quarterback and completed a first down pass to Dalton Hawk, a perfect kicking game for Killian O'Conner, a 55 yard touchdown run by Dalton Hawk, ferocious tackles by Cameron May-Penelerick, and a 42-16 final score. The Warrior football players played their hearts out this season and left everything they had on the field. The Warriors played every game with determination and made the games fun to watch. Congratulations for Dalton Hawk, Emanuel Sanchez, Cameron May-Penelerick, Killian O'Conner, and Jack Moen for receiving SCAC All-League honors.

Volleyball— Improved Everyday

By Chase Marquette

The Warrior Volleyball season ended three wins and eleven losses. This seasons wins came against Wahluke and Highland. The volleyball team is only losing two seniors (Shayna Hyatt ad Zuley Perez), so they are looking to improve their record next year as their young talent becomes upperclassmen. The lady Warriors fought hard all season and improved tremendously throughout the year. Even other coaches after games complimented the team on how much they have improved. Lydia Weis represented the lady Warriors as she was awarded All- League 2nd team for the SCAC.

Soccer Ends in Heartbreak

By Madison Taylor

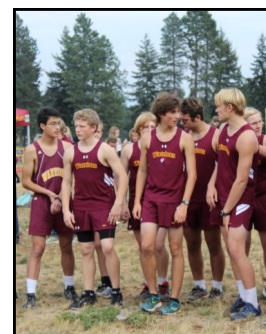

The Warrior soccer team's dreams of post-season play came to an end when they faced league rival Highland. Beating the Scotties would have given the Warriors a birth to districts, but the Warriors lost by one goal. 74 minutes into the game the score was tied 0-0. With five minutes left of the game, the Scotties got a burst of energy and scored. The Warriors didn't give up; they gave the remaining three minutes their best, but came up short and lost 1-0. The remaining games of the season proved to be just as challenging for the Warriors. The ladies hosted La Salle for senior night and lost 2-0, but played their best game of the season. The team showed what they were made of by holding La Salle to only two goals and playing aggressive soccer for 80 minutes. Senior goalie, Courtney Brown was awarded 1st team All-SCAC honors and senior midfielder, Delaney Burrows received 2nd team All-SCAC honors.

Cross Country— Adam Rinaldi Makes it to STATE

By Madison Taylor

The cross country team spent the entire season running through rain, wind, hot and dusty weather, but they still had one come out strong, Adam Rinaldi. Adam came in 5th place at districts with a 3 mile time of 17:11. After success at districts he's now on his way to state. Going to state at any age is extremely nerve wracking and is an amazing accomplishment. Adam said he's excited and surprised that he made it to state and he thought he had no chance of getting this far and wasn't good enough. When he talked about the team, Adam said he thinks that everyone has improved greatly in their times and their skills. Aside from making it to state, Adam also received All-League honors.

Athlete of the Month— Emanuel Sanchez

By Kaytlin Kauzlarich

The October award of Athlete of the month goes to Junior football player Emanuel Sanchez! Emanuel was nominated by athletic secretary Peggy Hemley for his dedication on and off the field. When asked what makes Emanuel a stellar athlete, Peggy said, "His athletic abilities make him stand out on the football field. He twists and turns and plows through the defense like Marshawn Lynch!!" Coach Avery said, "His desire to win and compete takes him to another level; he worked hard off season to be better, which helps him play on a higher level. He wants it more than most." Emanuel had a big target on his back, but opponents were unable to catch him. In the season finale again Riverview, Emanuel was unstoppable on both sides of the ball. If he wasn't running kick offs back for touchdowns, he was intercepting the ball and returning it for six more points. Great job Emanuel and thank your for making football games fun to watch.

November Calendar

- 11/9 Winter Sports Night
- 11/10 Veteran's Day Assembly
- 11/11 Veteran's Day – no school
- 11/12 National Honor Society Induction Ceremony @ 6:00
- 11/16-20 SBAC testing retakes
- 11/25– Early Release
- 11/26-27 NO SCHOOL

Winter Sports Start Soon

Attention all winter athletes! Basketball and wrestling are just around the corner so make sure you get your paperwork turned into Peggy ASAP! Practices start Monday, November 16th. Remember, you cannot practice without your paperwork and you must have at least ten practices to be eligible to compete in games and matches. If you are a boy basketball player and have any questions do not hesitate to ask captains Nolan Wait, Dalton Hawk, and Jordan Pugh. Girl basketball players can direct their questions to captains Holly Terrill, Claire Howerton, and Emily Lussier. Wrestlers can talk to captain Jack Moen. Leading the tribe's teams this year are Boys Basketball coach Tony Graham, Wrestling coach Jim Briggs, and Girls Basketball coach Nikki Dearing.

It is not too late to sign up for a winter sport! Winter sports are great because they are in the gym and you won't freeze being outside! More players = better competition, better teams, and more fun!

Fall Band & Choir Concert

By Emmalee Sargent

The Warrior choir, pep band, and jazz band did an outstanding job at their concert in the Middle School gym Wednesday the 21st of October. This was the group's first concert of the year. The high school choir started off the night with a harmony that made your heart sink...to the dance floor, that is! The ladies and gentleman synchronized into a lovely welcoming by singing "Round the World." The Pep Band continued the evening's entertainment by playing Pharrell Williams' "Happy." The band showed off their dancing skills by busting out their moves while playing "Sexy and I Know It" by LMFAO. The Jazz Band started off the concert with an interesting twist to a Jazz Intro. The band sounded beautiful and had the audience tapping their toes and swaying to the beat.

The Warrior band has been exceptionally busy this fall. The band competed in a band competition with approximately 13 other schools. The Warriors impressed the judges and scored very well. If they would have competed as a 2A division, they would've placed second! Aside from putting on concerts and competing against other schools, the band has played at every home football game. The band keeps the audience pumped up by playing songs, chanting, and challenging the cheerleaders to dance offs; however, the band steals the show during halftime when they perform Gangnam Style. The crowd goes crazy when Eric Merkel and Michael Otto show off their ride the pony dance moves, then casually pick up their instruments and continue playing.
