# The President's Message

Dear Supporters of LCC:

It is hard to believe the summer has flown by so quickly and school is ready to start up again. In the last few months, major projects have been undertaken at LCC. Thanks to the wonderful contributions of an alumnus of the class of 1963, Mr. Toby Cardone and his wife Sue, a new entranceway has been added to the building. In addition, the first of four new restrooms has been completed for our students. This may not sound like a glamorous undertaking, but just think of the age of the building therefore restroom maintenance has become a top priority.

Two additional projects are on the planning board thanks to wonderful LCC alumni. The baseball field will have added a press box, concession stand and restrooms prior to the start of the spring season. Summer 2014 will hopefully see the completion of a new chapel on the LCC campus as well. The chapel will be part of classroom renovation and not a stand-alone structure. These projects and any future projects are the result of very caring and giving alumni.

When I arrived at LCC over two years ago, it was a goal to spread the good news about Lima Central Catholic. That is why this publication was begun and why it has continued to grow over the years. Please take a look at this publication and see just how friends, parents and alumni have supported LCC. More and more alumni are contributing back to the school. The list of names keeps growing each year and on behalf of the students and staff – I thank you!

Last fall, the alumni and development office provided a great alumni weekend for all who attended. We are looking forward to the 2<sup>nd</sup> Annual Alumni Weekend on September 13-14. Please make plans to come back to LCC and relive the days when you walked the hallways as a student. Last year was a fun time and this year will be even bigger and better.

Last but not least, please continue to keep the students and staff in your prayers. Prayer is the most important gift you can give back to LCC and we know that through Divine Intervention all things are possible.

May Christ continue to bless all our alumni, friends, parents and past parents each and every day. Again, thank you for the support you give back to LCC.

Yours in Catholic Education and May God Bless You!

Walt Klimaski, President

# From Our Principal

Dear Friends of LCC:

Time certainly marches on doesn't it? It feels like I just wrote you a letter of introduction and here I am having finished my first year at LCC! And what a great year it was.

Every academic department now has a "Department Chair". These individuals are responsible for attending meetings where information is shared and discussed. They are responsible for bringing that information back to their department and see that items are addressed and implemented. They also bring feedback back to the administration about the school. If there is a new person in their department they are also expected to keep a "watchful and helpful eye" out to help that person be successful.

A plan was created for school-wide implementation of iPads. At the start of this year, every student will receive their own iPad. Teachers will also receive one as well as a laptop. These will be used in conjunction with the existing technology such as SmartBoards that are already in the classrooms. The faculty received professional development for these devices before school ended and during the summer. It will be continuous throughout the school year. This is a very exciting time for LCC. We are looking forward to utilizing all the wonderful things that an iPad and technology has to offer.

Our students continue to look their best every day. They are expected to respect their uniforms and be properly dressed when they walk into school every morning and remain that way all day. Students are more careful of being on time for school and every class. Our two assistant discipline coordinators keep our students on their toes in so many ways.

My two simple but comprehensive "rules" still apply as we move forward. One is to do your best every day and the other is to do the right thing. It sounds so simple doesn't it? But on any given day it can be difficult. The key is to remain consistent and have faith. We just need to remember that with God all things are possible.

With God's blessings,

*Dr. Kathleen Herpich*

## *St. Rose School in Belmar, N.J.*

In previous editions of the LCC Today, we told you about student fundraising efforts to help a school that was devastated by Hurricane Sandy, St. Rose in Belmar, N.J.

Students collected donations at the LCC Annual Auction, held a bake sale, had "out of uniform days", helped serve an after Mass breakfast at St. Rose, Lima, raffled a donated iPad, and raised money at the T-Bird Extravaganza.

Originally the students hoped to raise \$10,000 to replace one computer server; both of St. Rose's were destroyed. They raised **\$18,500**. St. Rose school in Belmar is so appreciative they will be traveling here this fall to visit and personally thank all our students!

## The Robert Seggerson Center for Academic Excellence

For 44 years Bob Seggerson has been at LCC as a teacher, coach and guidance counselor. In 2010 Bob retired from coaching but remained part time as a guidance counselor. At the beginning of the school year Bob announced he would be retiring, permanently at the end of the year. There has been a Seggerson at LCC since 1957. Truly the end of an era!

Bob admits being a guidance counselor has been a most satisfying part of his career, helping kids make good decisions about their future and putting them on the right track when they've experienced difficulty.

In honor of Bob, LCC has announced a new resource center to provide students with additional help and guidance. **The Robert Seggerson Center for Academic Excellence** will open this fall.

The Seggerson Center will offer quality services for Lima Central Catholic students of all abilities who seek to sharpen their academic skills. It will provide opportunities to develop skills and strategies necessary to achieve success in even the most demanding classrooms.

The Center, located in the 200 wing of the school, will provide a quiet place for study outside of a traditional classroom. It will include private individual space, current book collections, the latest technology, and the kind of furniture that will enhance and encourage learning.

Funds are currently being raised for the Seggerson Center and donor names will be engraved on a plaque that will hang in the center. If you would like to be included please send your contribution to:

Lima Central Catholic High School  
The Seggerson Center  
720 S. Cable Road  
Lima, OH 45805

Please make your check out to LCC or go to [www.lcchs.edu](http://www.lcchs.edu) & click on donate now in honor of Bob Seggerson.

## "Golden Apple" Award Winner Deb Schenk

The Diocese of Toledo annually presents "The Golden Apple" a very prestigious award given to teachers who devote their lives to Catholic education. Mrs. Deb Schenk, an LCC Biology and Health teacher was nominated by her students and parents. She is one of only nine teachers throughout the diocese who receives this award that includes a check for \$5,000. Mrs. Schenk is the first teacher from LCC to receive the Golden Apple award. She began her teaching career at LCC in 1994 and holds a B.A. from Ohio Northern University and an M.A. from Western Governors University. According to LCC President, Walt Klimaski, "Deb is one of the best teachers I have seen. She knows her "stuff" and relates it to her students in a very positive way. Her classroom is always open to the students early in the morning or late in the afternoon, she is there to provide encouragement. That's why the students love and respect her so much." Congratulations Mrs. Deb Schenk.

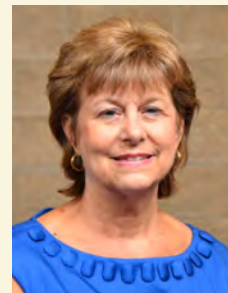

## Congratulations!

Longtime DECA teacher, Mrs. Barb Schwinnen retired at the end of this school year. Mrs. Schwinnen came to LCC in 1973, as Ms. Barbara Hickey, leaving LCC only just a few short years to stay home while her children were young.

Barb shared that she has only been at LCC and never had any desire to teach anywhere else, a real anomaly with DECA instructors.

**The Athletic and Band Boosters** cover all the athletic related expenses and receive all the income. Some sports, bring in money to the Boosters, other sports generate no income but have huge expenses. We pride ourselves on being able to offer a variety of sports and band programs and we rely on income from donations, Booster memberships and fundraisers. Here is a short summary of the financial picture for the Athletic and Band Boosters for fiscal year 2012-13.

**Income: \$555,000** (net profit of \$10,000 Reverse Raffle/K of C Fun Night, \$23,000 Night at the Races, \$6,000 Motown and \$42,000 Mulch Madness Sales).

**Total Expenses: \$532,000** (for umpires, referees, transportation, coaching, maintenance of gyms and fields, rental fees, trainer expenses, uniforms and equipment) This year we will be able to transfer some funds to the Gil Hyland Fund to help ensure the future stability of athletics at LCC. Thanks for all you have done by donating or helping with events!

# 2013 Annual Auction Gala

FRIDAY, NOVEMBER 15, 2013  
LCC GYMNASIUM

The 2013 Annual Auction Gala will return to LCC and will be held on Friday, November 15 in the gymnasium. With the move back to school will come lots of changes including a **new lower ticket price**, a raffle for a 2 year lease on a brand new Ford Fusion generously donated by Reineke Family Dealerships and many fun activities. Included in the evening's activities will be the usual silent and oral auctions.

## WIN A 2 YEAR LEASE ON A BRAND NEW FORD FUSION!

A raffle for a NEW FORD FUSION will be held in conjunction with the Annual Auction Gala. Raffle tickets to win a 2 year lease on a brand new Ford Fusion are \$10 each or 3 for \$25. The lease is donated to LCC by Reineke Family Dealerships and a representative from Reineke will draw the winning ticket at the Gala on Friday, November 15<sup>th</sup>. While the winner need not be present to win, if the winner is present they will win **\$500 of GAS** to go in their NEW CAR!

We have a gorgeous "red" Fusion scheduled to be on display in front of school and at various sites around Lima. Be sure to check out our Reineke Ford Fusion! Tickets are currently available at the LCC Business Office or through the Development Office. Watch for further details about the car, the raffle and locations to see to the car.

## DONATE AN ITEM FOR THE AUCTION

Do you want to donate an item to be auctioned off or have an idea for next year's auction? Call Kelly Kirk at 419-222-4276 x 2012 or email her at [kkirk@apps.lchs.edu](mailto:kkirk@apps.lchs.edu). Every item donated can serve as a deduction on your income taxes.

# A New Entrance to LCC

Through the generosity of Mr. & Mrs. Toby Cardone, a more formal and distinctive entrance is being created. Work is will be completed prior to the beginning of the 2013-14 school year. Toby, '63, was also an LCC faculty member for a short time!

# School News

When students and teachers head back to school in mid August, each one will receive an iPad to use throughout the school year.

The iPads are expected to alleviate current computer lab space and will allow greater feedback between students and their teachers.

According to Dr. Herpich, the school has looked at other methods of teaching, including blended, cooperative, and project based learning. With the iPads, a teacher can give students a lecture to take home and watch or assign a video and come in the next day ready to go.

Assignments will be turned in via the internet and students will be able to go anywhere in the building to collect data and do research. Teachers will be able to put information from their iPads onto Smart Boards in their classrooms.

Dr. Herpich also said the iPads will help students in a time when the state is introducing new core content standards and new end-of-course standards to replace the Ohio Graduation Test. The state is moving to online tests.

## *from our Governance Board Chair*

To The Lima Central Catholic Community:

I am pleased to report that the LCC Board of Trustees has been hard at work in overseeing the overall operation and enhancement of the school. There have been a number of initiatives that have been implemented in the past year or so towards this end. One example was the creation of a President/Principal model in school administration that will pay dividends in increased academic quality, arts programs, enhanced school operations and development efforts.

We are also very pleased with the implementation of one-to-one technology, which will put iPads into the hands of every student at LCC and increase the ability to develop essential learning attributes such as critical thinking skills. The Catholicity of the school has also been on the forefront of our thinking and actions, and we are very appreciative of President Klimaski for bringing the Kairos retreat to our school.

At the same time, we strive to be good stewards of the financial standing of the school. We are ever cognizant of the dilemma between providing the best for our kids and balancing that with the financial burden that may be placed on parents to send their children to this great institution. This was demonstrated recently by our ability to eliminate any increase in tuition costs for the 2013-14 school year.

Our focus going forward is to ensure that LCC is the best school in the area for academic excellence and living the Catholic faith. The academic portion of this vision is to make sure that all students that enter our facilities have the opportunity to reach their fullest potential as a student. We also believe that their experience regarding spiritual formation should be of the highest quality and help prepare them for their next step in life and beyond.

We pledge to continue to work hard for the betterment of the school and the greater Lima Catholic community and appreciate your thoughts and prayers towards this end.

Sincerely,

Scott Koenig  
LCC Board of Trustees Chair

# 2012-2013 LCC Revenue & Expenses

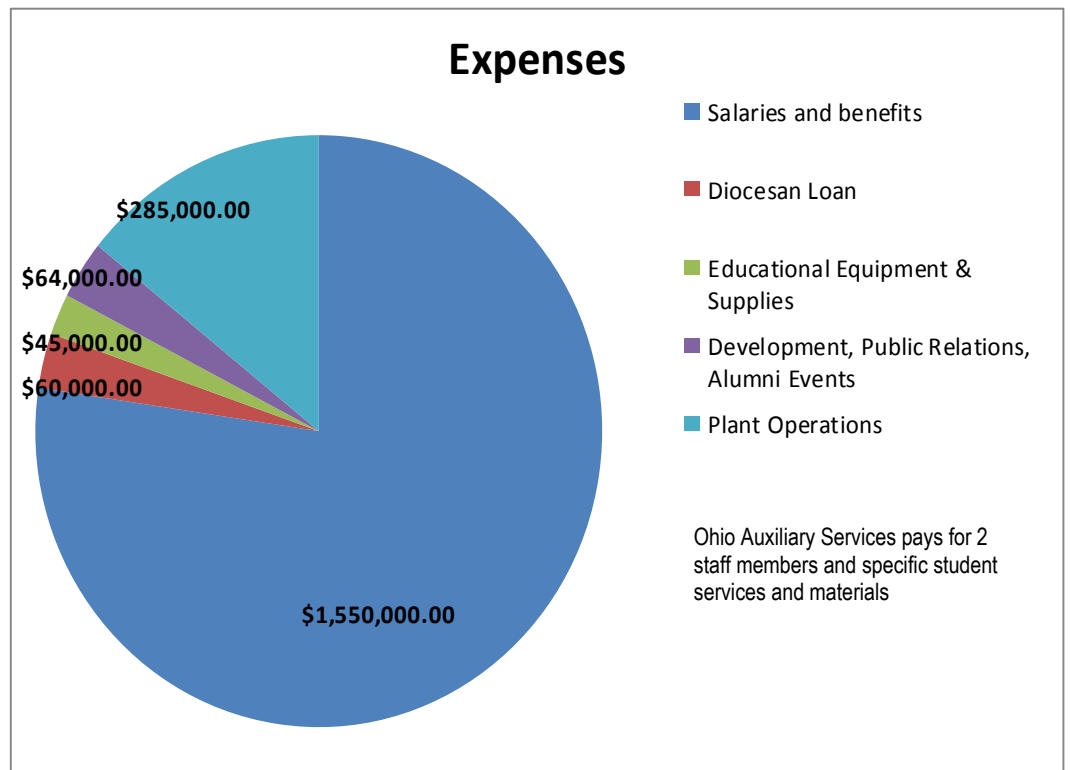

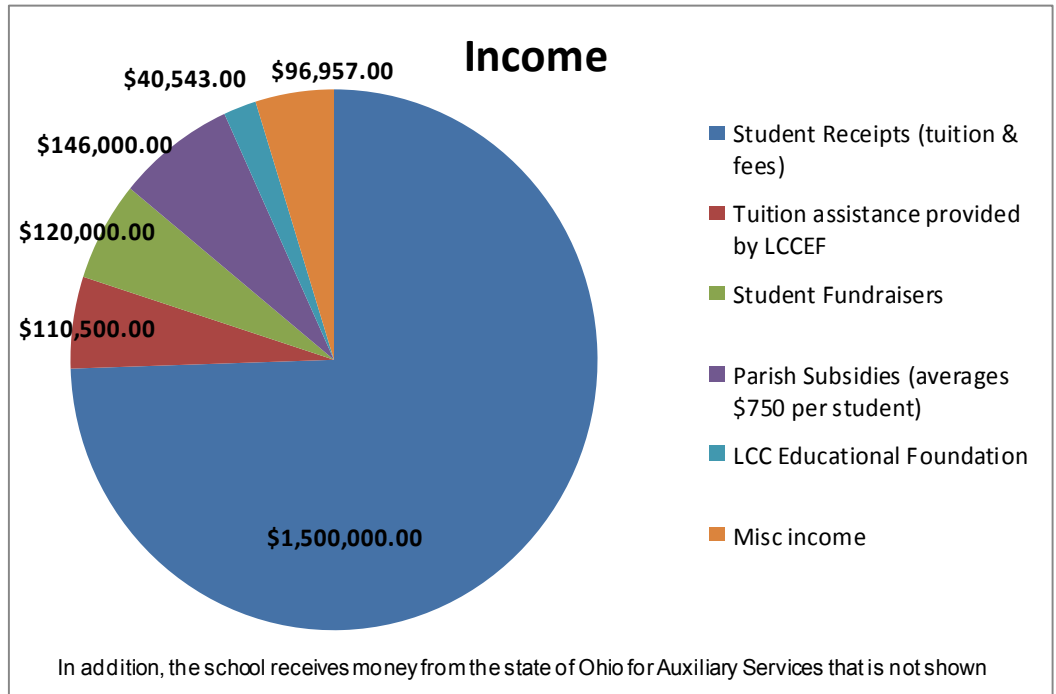

I have enjoyed my first full year working with the students, their parents and all our excellent staff.

I have changed the reporting from what was shown in past years to create a more clear picture of the school finances.

My goal each day is to provide good service and to be a good steward of LCC's funds.

Director of Financial Operations

# LCC Development Office Report

Dear friends:

If you have ever been to my office you may have noticed the bible verse on my wall, **"entrust your works to the Lord and they will succeed."** Proverbs 16:3. That verse was the reason I came to work at LCC and every time we plan something, I glance at that saying and trust that HE will provide what we need for LCC to continue to prosper. And boy has HE! The Lord has inspired each of you to pray and open your hearts and wallets and for that I and everyone here are eternally thankful!

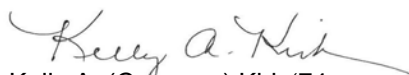

Not only is LCC the best school, but our alumni and friends are superior as well! We couldn't succeed without all of you. Thank you!

Annual Reports are all about the numbers, so here are few from our office.

- **\$134,811.00** - amount raised for the 2012-13 Annual Fund Campaign
- **\$477,351.37** - amount donated for restricted purposes (i.e. athletics, band, facility improvements, etc.)
- **\$150,000.00** - goal for the 2013-14 Annual Fund Campaign
- **\$44,336.80** - given from the Educational Foundation by general endowment fund to LCC
- **\$65,248.04** - given from the Educational Foundation's scholastic assistance endowment fund to LCC

I hope I will get a chance to see you at the Alumni Weekend on Sept. 13th and 14th or at the Annual Auction Gala on November 15th in order to thank you personally.
