A gift of the LCC Class of 1961
on the occasion of their 50th Reunion.

From our LCC President.....

Dear LCC Supporter:

I invite you to take a close look at this annual report. In it, you will be able to see for yourself what a wonderful financial year LCC had thanks to you, loyal sons and daughters. You will be able to see a glimpse of the young people who benefit as a result of your generosity. Our supporters were very good to LCC last year and for that I thank you on behalf of our students, faculty and staff.

One of my favorite Bible passages is Matthew 14:18-20 "Then he said, 'Bring them here to me,' and he ordered the crowds to sit down on the grass. Taking the five loaves and two fish, and looking up to heaven, he said the blessing, broke the loaves, and gave them to the disciples, who in turn gave them to the crowds. They all ate and were satisfied, and they picked up the fragments left over - twelve wicker baskets full." For those of you who supported LCC and its students last year, be it financially, through prayer or physical support, you were "feeding" Christ's young people. You helped to provide a quality Catholic education here in Lima and helped chart a direction of faith, hope and love for everyone connected with Lima Central Catholic.

Many years ago, I was interviewed as the principal of Akron St. Vincent-St. Mary's High School. The interviewer asked me what goal I would like to see accomplished for the school. Without blinking, I said "an endowed school" - a school that can afford to help all families receive the best Catholic education possible and not have to make a tough decision on affording or not affording the school; a school that can provide a financial package that attracts the best and brightest teachers and staff and makes them want to stay forever and ever. This is my dream for LCC one day.

Last year many of our alumni and friends were very supportive of our annual fund as you will see as you page through this report. Again I thank you but also ask for your continued help this school year. As you can see, only about 6% of the LCC alumni supported our drive last year and 10% of our parents. This year, would it be possible to increase our alumni and parent participation to 50%. Maybe that's a stretch, however, with the alumni base that LCC has it can be an attainable goal.

Anytime our supporters would like to see for themselves what is going on at LCC, you have an open invitation to stop by and visit. Our student ambassadors would love to guide you through the LCC facility and it would give you an opportunity to talk with our amazing group of young people.

Once again, thank you for your support of LCC as well as your future support. May Christ continue to bless you and bless Lima Central Catholic High School.

Yours in Catholic Education,

A handwritten signature in black ink that reads "Walt Klimaski". The signature is written in a cursive style.

Walt Klimaski, President

Meet our new Principal.....

Dear Friends of LCC:

I am pleased to be writing you as the new Principal of Lima Central Catholic High School. I am originally from New Jersey where I was a teacher and a Principal in both the public and Catholic schools and most recently from the Archdiocese of Philadelphia where I was Principal.

Many people have asked why I chose to come to Ohio and LCC. I can tell you that having come from larger cities, Lima appealed to me. And while smaller, it in no way implies that it offers a smaller variety of restaurants, shops or activities; in fact I am quite impressed with what Lima has to offer. It is only a short distance to major cities.

I am a firm believer that God leads us to where we ought to be. He has a plan for us and takes us where we need to be to live that out. So here I am in Lima, Ohio ready to be the Principal of what I have to quickly come to realize, is a high school that is already a great institution for academics, athletics and arts but has the potential of becoming a powerhouse in providing the best Catholic school educational experience in this and many of the surrounding areas.

I would like to thank you for your support of LCC and Catholic Education. When you are in the area please feel free to stop in and say hello.

I look forward to a tremendous school year!

With God's blessings,

A handwritten signature in cursive script that reads "Dr. Kathleen Herpich". The signature is written in black ink on a white background.

Dr. Kathleen Herpich

2011-2012 LCC Revenue & Expenses

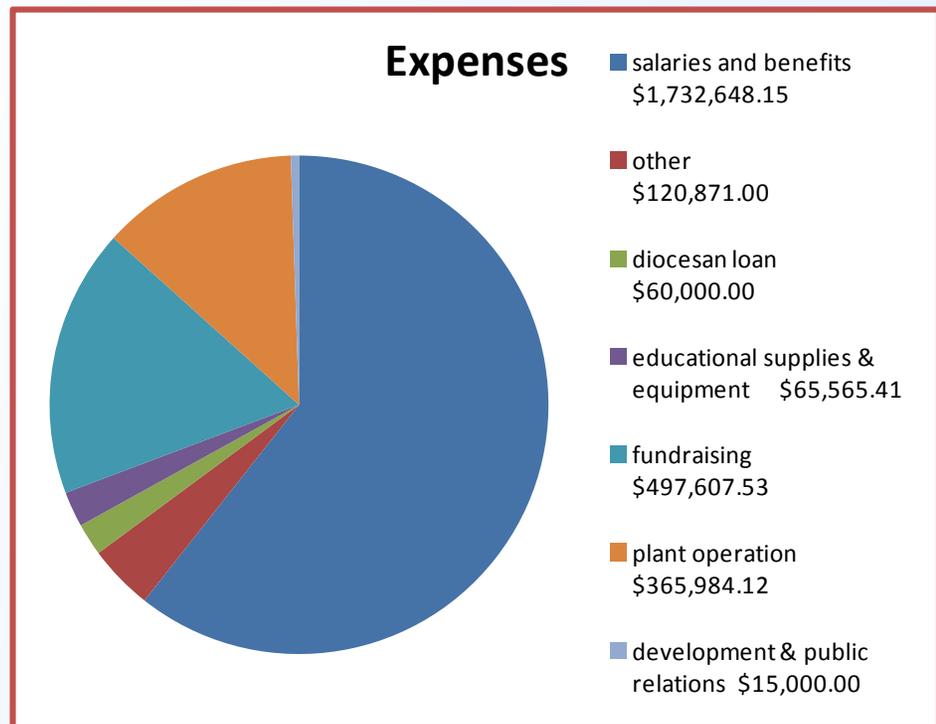

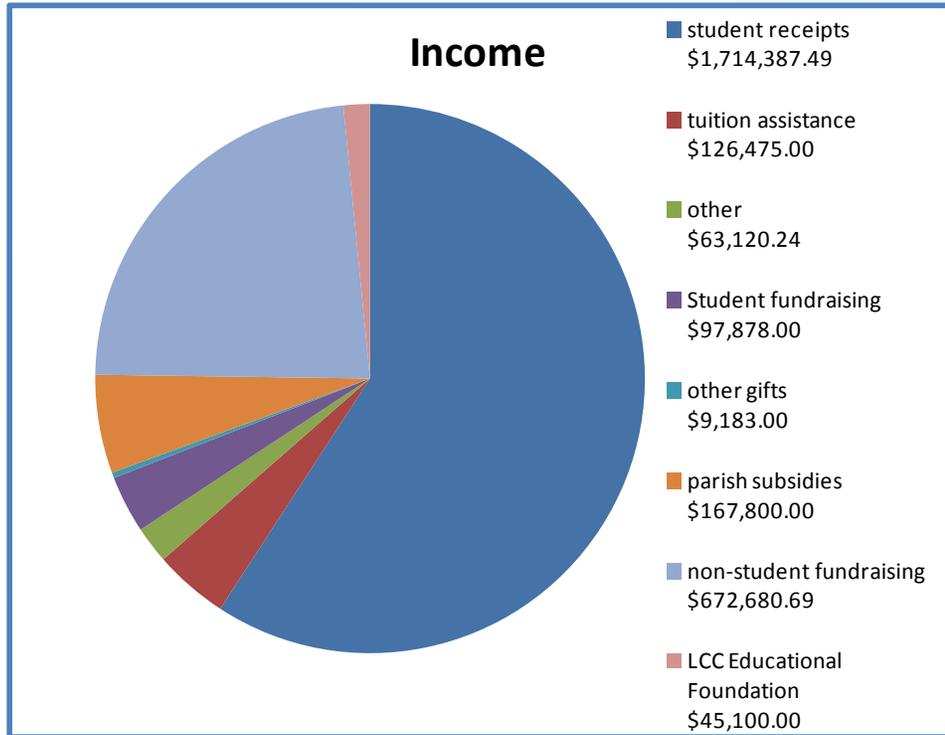

Lonnie Miller

Mrs. Lonna Miller retired as Director of Finance and Operations in March. We wish her well as she spends more time traveling and visiting grandchildren.

Mrs. Cameron "Cami" Jacobs, LCC '97 came to LCC in March as Director of Finance and Operations. Cami is married to Will (LCC '96) and has two sons. Cami earned her Associate Degree in accounting from OSU and her BS in Accounting from Franklin University.

Athletics

What an incredible year for athletics here at Lima Central Catholic! In fact, until one of our distinguished alumni tries to prove otherwise, I think you can safely call 2011-12 the most successful sports year in the history of our school. Along with Mykale Rogers bringing home a state title in the long jump, our baseball team reached the state championship game, John Kidd & Alex Swick reached the state championship match in doubles tennis, and our boys and girls golf teams both reached state, finishing second and fourth respectively. But that only tells a small portion of the story.

Ron Williams
Athletic Director
LCC '82

In figuring up the numbers, there were over two hundred T-Bird athletes who competed at the regional level last year. Our football team finished the regular season undefeated and #1 in the state, with girls volleyball, girls soccer and boys basketball teams all reaching the regional tournament. Add to that the large number of cross country runners, track athletes, wrestlers and swimmers who reached regional and state tournaments. So as I said, the gauntlet has been thrown down by last year's athletes, and until someone can tell me different, **I OFFICIALLY DECLARE 2011-2012 THE GREATEST SPORTS YEAR IIN THE HISTORY OF LIMA CENTRAL CATHOLIC!**

But if there is any area that our athletic success was surpassed, it was in the job done by all of our parents, and especially our Athletic and Band Boosters, in supporting our students. Believe it or not we spent \$470,270.06 in supplying the best athletic and band experience for our students. But because of the work done by the boosters, our total income was almost \$480,607.39 leaving us with a nice cushion heading into this next year. We've already begun using that, as you will see when you walk in the old gym where we went "old school" with the floor that now displays the 1960 T-Bird and the original scarlet and teal colors. Regular maintenance on both the baseball and softball fields and the new gymnasium will eat into that profit also. But we know that the continued support of our families and the boosters will lead us to another great year financially.

And you did read the last paragraph correctly, we have resurrected the Band Boosters and combined them with athletics to form the new Athletic and Band Boosters. The combination has helped out the band and flag corps as much as athletes, as they had an incredible year at their many competitions, winning awards almost everywhere they competed.

So please do all you can to continue supporting our athletes, band and flag corps members. As you can see from the amount of money needed, your help is needed in achieving our yearly goal of spending **NO TUITION DOLLARS** on our athletes and band members. To join the Boosters, we only ask \$25. But what we really need is your time. Please check with myself, or your student's coach, on how you can get involved and help LCC to continue providing a top-flight experience for your child.

2011 LCC Educational Foundation Financial Report

The Educational Foundation is comprised of three endowment funds, the general fund, the Scholastic Assistance Fund and the Julia & Nellie Miller Fund. The Scholastic Assistance Fund and the Julia and Nellie Miller Fund both provide donations to individual students for tuition assistance not to exceed 5% of the investments' assets. The general fund can donate up to 5% of the investment assets to the school itself each year.

The fiscal year for the LCC Educational Foundation coincides with the calendar year so this accounting is for the calendar year of 2011. As of December 31, 2011, the general fund balance was \$1,597,947.00, the Miller Fund balance was \$1,316,414.00 and the Scholastic Assistance Fund balance was \$ 6,926.00. While the amount for loan payments is almost equal to the amount given in scholarships, the loan has now been paid in full.

**A School worth your investment...
Your donations to the LCC Educational Foundation provide for the future of LCC and its students!**

Salaries	\$17,987.50
Accounting fees	\$ 5,000.00
Loan payment & interest	\$68,509.23

Students in the News

Congratulations to our first Academic Scholarship winners! This past May, each Lima grade school provided LCC with students who were examples of academic excellence. First place at each grade school received a \$500 scholarship and second place received a \$250 scholarship for their freshman year at LCC. As long as the student maintains their GPA, those scholarships will be renewable for the following three years. And the winners were...

ALUMNI ANSWERING THE “CALL TO SERVE”

Send us your photographs if you are a member of a religious order or know of an alum who is a member of a religious order. As part of the many updates in our school campus facilities, we have created a special wall to honor alumni who have answered God’s call to serve as a member of a religious order. We are hanging 4 x 6 photos of alumni who have made that commitment as a reminder to us all that we all are called to “go forth and teach” as Jesus instructed. Here are a few of the photos we’ve received so far.

BECAUSE OF YOU, OUR GENEROUS DONORS...

As with any structure, Lima Central Catholic, built originally in 1959 is in constant need of both repair and upkeep. Even the newest building on our campus is now 10 years old. Because of our generous donors, we were able to make the following improvements and necessary maintenance without a huge increase in our tuition.

Excavated old drive and replaced blacktop on the drive behind the school

Replaced water drainage system

Stripped, repainted and sealed old gym floor, featuring a retro-style T-Bird

Refurbished the new gym floor

Stripped wallpaper and painted lobby outside old gym

Relocated offices so they are all centrally located and entirely built one new office

Created a new meeting room for the Kairos student retreat team

Created a "CALL TO SERVE WALL" in the lobby outside old gym

Replaced security cameras

Painted many walls and applied some logos and Bible sayings

Replaced ceiling in main entryway of school

Installed a computer monitor at entryway to welcome guests

Built new space for "Spirit Shop" in the new gym

Replaced hinges/and or locks on all the lockers

Planted rose bushes and mulched

All this was in addition to making repairs caused by storm damage to the old gym as well as our usual summer painting and thorough cleaning.

From the LCC Development Office

Thank you to all who contributed to the 2011-12 Annual Fund Campaign. WE DID IT! WE MADE OUR GOAL AND THEN SOME! Our goal was an ambitious \$100,000 given that the previous year we only brought in \$56,337.64. However, you answered the call and donated **\$138,639.00** for unrestricted purposes.

I have even more good news! In the 3 years I have been in this job, we have not tracked any of the restricted donations, but we started doing that this year. In other words, if you donated to the Educational Foundation or athletics or to the band, we are also now tracking those donation totals. In the 2011-12 fiscal year, you donated **\$171,928.35** for restricted purposes. I suspect that was also an increase, though I have no previous figures to compare.

That means our generous donors gave a total of \$310,567.35 and that doesn't count any money spent/donated through either the three student fundraisers or the auction or any athletic fundraisers! You are amazing!

I hope you will review this annual report. I have thrown in some other facts of which the most important is 100% participation from our staff at LCC. As you know, our staff doesn't make salaries commensurate with their public school counterparts, yet they all made a donation to our campaign. They are such wonderful folks!

We know we ask a lot of those who support Lima Central Catholic. Your support and generosity is always greatly appreciated. This past year because of the amount contributed we eliminated 1 of our 4 student fundraisers and all 3 of our mail out raffle tickets which were costly to produce, taking numerous man-hours to mail and yielding a minimal return.

A donation to the Annual Fund Campaign is the one donation that supports all aspects of a Catholic education. The Annual Fund will always be necessary to fill the gap between what it costs to educate a child and what parents pay in tuition.

So when the 2012-13 Annual Fund Campaign letters are mailed in November, I hope you will again answer the call and prayerfully consider a donation to help us achieve our **GOAL OF \$150,000** in unrestricted donations.

MAY GOD BLESS EACH OF YOU!

2011-2012 Annual Giving Report

Lima Central Catholic High School is extremely grateful for the generosity of our faithful friends. The following is a list of those who have contributed to this year's annual fund during the fiscal year of **July 1, 2011 and June 31, 2012**. If we made an error, we apologize but please don't hesitate to let us know at the Development Office at 419.222.4276 x 2012 or by emailing kkirk@apps.lcchs.edu. May God bless each of you and your families for your generosity.
