

Medfield Youth Baseball and Softball

Serving Medfield's Youth for 65 Years

Spring, Summer, and Fall Seasons

www.medfieldybs.org

Registration is OPEN for the 2021 season!

Spring baseball and softball registration is open for 1st through 8th grade. Please visit our [registration page](#) to sign up today! The registration page will have details on days/times games/practices will be held.

- Registration for Babe Ruth will close on March 25th
- Registration will close for 1st & 2nd grade on April 18th
- All other grades will close on April 1st
- Majors tryouts for 5th graders will be in March (you must be registered to tryout)

Coaches - If you are interested in **volunteering as a coach**, you must complete the [coach registration form](#).

Previous years feedback has been *too many games, not enough practices...* so this year we re-organizing the schedule so that weekends are reserved for practices and skill development clinics for baseball and weeknights are for games.

Softball Parents - We are trying to organize skills development clinics & practices during the season. If you played at High School level or above, we are looking for your help to establish and develop the program further (note - you do not need to coach a team or have a daughter in the program to participate in this).

If you have questions, please reach-out to your [grade coordinator](#) or MedfieldBaseballSoftball@gmail.com.
