Hello Mr. Olinger,

Unfortunately our hard copies of the Hardy proposal will not be delivered on time due to bad road conditions. We overnighted our proposal response Monday and assumed we'd be covered with two days to make it to Missoula, but unfortunately that will not be the case (see below).

I have attached our digital version, but understand if you have to follow the letter of the law on delivery of the proposal.

Thank you for the opportunity to submit on this amazing project!

**Subject:** Lolo RFP - PDF and Tracking

Here is the pdf and tracking from Fedex.

As shown the package was dropped off 02.15.21 for a priority overnight delivery.

Upon a follow up call and seeing the notification on the website – the package will not arrive as planned due to icy road conditions.
