

WISCASSET SCHOOL DEPARTMENT

225 Gardiner Road

Wiscasset, ME 04578

(207) 882-4104

Dr. Terry L. Wood, Superintendent of Schools

March 9, 2021

Dear Staff, Students, and Families,

This letter is to inform you that we have received notification that a Wiscasset School Department staff member has received a positive COVID test result.

Keeping each student and staff member safe and healthy is our number one priority. Contact tracing is currently being conducted and if you were considered a close contact, you will be notified. Please be assured that during this time we will continue to take all precautionary measures to ensure that our schools are safe for all staff and students.

These measures include proper handwashing with soap and warm water, which is especially important after using the bathroom, before eating, and after blowing your nose, coughing, or sneezing. When soap and water is not available, use an alcohol-based hand sanitizer with at least 60 percent alcohol. Avoid touching your eyes, nose, and mouth with unwashed hands and avoid close contact with people who are sick. Cover your cough or sneeze into a tissue, then throw the tissue in the trash. Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.

COVID-19 is a respiratory illness that ranges from mild to severe. It can be more severe in adults 60 years and older and in those with underlying conditions. The virus mainly spreads when an infected person coughs or sneezes and an uninfected person breathes in the virus. Please call your physician if you or your student has any signs and symptoms of COVID:

Any questions can be directed to Nurse, Marilyn Sprague by calling 207-882-7767 (option 2) or emailing msprague@wiscassetschools.org.

For general COVID-19 questions, dial 211 (or 1-866-811-5695). You can also text your ZIP code to 898-211 or email info@211maine.org. Call your personal healthcare provider for questions about your symptoms. More information can be found at www.maine.gov/dhhs/coronavirus or www.cdc.gov/coronavirus.

Sincerely,

Dr. Terry L. Wood
Superintendent of Schools
Wiscasset School Department
