**COMPLAINT PROCEDURE POLICY****PROCEDURES FOR HANDLING COMPLAINTS ABOUT SCHOOL PERSONNEL**

It is the responsibility of the School Board and staff to maintain open attitudes and access to the public when concerns and/or complaints are expressed about school personnel. The most effective school-community relations will be achieved when parents, citizens, or others who have complaints are encouraged to meet directly with school personnel about whom a complaint is registered. Every level of administration is responsible for insuring that complaints are responded to efficiently and, as much as possible, in a manner which will not have a negative effect on the learning environment for students, the reputation of school employees, or school-community relations.

1. COMPLAINTS CONCERNING SCHOOL PERSONNEL shall be registered through the administrative staff before going to the Board. At the school level, complaints should be made first to the staff member, then to the principal, and finally to the district administrator. Complaints concerning the superintendent should be made first to the superintendent, then to the president of the school board.
2. COMPLAINTS OF A GENERAL NATURE should be made to the district administrative offices. They may be made to the district administrator, or to a member of the district staff, depending upon the nature of the complaint. If, after discussing the complaint at a district level, the person or persons making the complaint still do not have satisfaction, the complaint should be presented to the Board.
3. No person shall present orally or discuss at any meeting of the Board complaints against individual employees of the Kickapoo Area School District until after such charges or complaints have been presented to the Board, in writing, and signed by the person or persons making the charge or complaint. The Board shall then have a reasonable opportunity to investigate the same and call for discussion.
4. Any written complaints regarding a teacher made to any member of the administration by any parent, student or other person shall be immediately called to the attention of the teacher. The teacher shall be given an opportunity to respond to and/or rebut such complaint, and shall have the right to be represented by legal counsel or the KTA at any meetings or conferences regarding such complaints.

  - c. Trap Club Fundraiser (Attachment)** The trap club is looking to raise funds for this season.
  - d. COVID Leave** COVID leave for staff was extended until March 31st and it was the Board's wish to revisit prior to that date.
  - e. Facilities Use** Last fall, the board suspended all facilities use due to the pandemic; continue with suspension or allow? 4H, Girl Scouts, Open gyms, how we should proceed during the spring months will need to be decided.
  - f. Spring Sports Programs** Kent Petersen will speak to the Board at the meeting regarding these programs.
  - g. Protocol for National Honor Society Banquet (Attachment)** The protocol is outlined in the attachment.
  - h. Purchase of a Bus:** The need for an additional bus as we approach the spring is evident. All of our buses are utilized in our routes due to limited bus capacity. The recommendation is to utilize ESSER funding to add a bus. The extra bus will assist with spring scheduling of athletic events, and will eventually serve to replace a 2007 model. Midstate bid 85,100, bid from Wisconsin Bus Sales 86,995. Jeff recommends continuing with Midstate.
  - i. Purchase of Scissor Lift- (Attachment)** Genie lift will be much more functional and allow us to avoid renting a lift in the future.
  - j. Donations to School** We have received the following donations towards the track in memory of Naomi Sanford and Jeff Geary: \$1,000 - Jeff and JoDean Wendorf; \$1,000 - Justin Wendorf; \$500 - Doug and Vicki Olsen
- 8. Informational Agenda**
- a. Discussion Items**
    - 1) Prom 2021 (see attachment for NHS)**
    - 2) 2021-22 District Calendar-** Mr. Olsen is working on 2 calendars to present, one if we start early, and one if we start after September 1. We could start early on a waiver if the referendum passes, otherwise this would take a waiver due to the pandemic.
    - 3) FFA Banquet** Mr. Kast has been communicating with other ag instructors in the area and for this year, there will be an awards ceremony only, with no meal served.
    - 4) Track Shed-** total donations of 10,000. The estimate of the shed is 20,000 plus concrete.

**5) Replacement of School Van with Ford Transit-** Mr. Olsen is working on obtaining a bid from Ford Fleet Sales. We have a 2007 van with approximately 160,000 miles that the Transit would replace. This would also give us the ability to carry larger groups without the use of a bus. (10 plus the driver)

Buildings and Grounds Committee Meeting Minutes

2 pm

March 4, 2021

Earl Wallace, Doug Olsen, Janet Matthes present

- Softball field tree removal: two bids received, one bid for removal and stump grinding is \$8760 from Miles tree LLC, Billy Kellogg \$9300, removal of trees, stumps, leveling and seeding. If we accepted the bid from Miles Tree we would still need Billy to grade and seed the area. Recommend Kellogg Brushhogging
- Stainless steel sink for football concession area, self contained unit- \$2,850, committee approved the purchase of this unit, has water heater and fresh as well as gray water tanks, unit is on wheels. The district will use ESSER funds.
- Plumbing update, there was a bad gasket that needed to be replaced on the main water line coming into the building. This was scheduled for February when we had a day off of school, the water main needed to be shut off for half of a day.
- Crack filling main parking lot, and softball parking lot, review bids. We would really like to use the same contractor that the village uses for their work. We do have a bid from Fahrner to repair and fill cracks on the upper playground that will be used for a parking lot for softball. We will likely have to wait for the village to make a decision so that we could get a bid from someone who will be in the area. Fahrner has submitted a bid to the village.
- Menards materials estimate for the shed \$16,884, no concrete in this bid, Ken feels this is pretty cheap, may need to add a few thousand to the budget just in case. Donations of 9000 for this, we have the money in our Fund 10 budget, we should move forward and get it done, including concrete. Will be discussion in March full board meeting.
- HS/MS Gym wall paint bids. BJ miller contact for bid/ Dale Beinborn, seems better to time this with potential work being done with the referendum, recommendation is to wait.
- Concrete for across the road for discus, shot, bid from Hamilton/Franks
- Ford Transit this year I am going to get fleet pricing, ordering a bus using our ESSER funds is needed for flexibility to go to athletic events, all of our buses are in use right now. Additionally if we replace our van with a transit, it gives us more flexibility and these expenses will help with our high cost transportation aid.
- Fertilizer Spreader and Seeder for LS, 850 lb. hopper, 3 pt, \$650 tractor supply. This will allow us to more efficiently do our fertilizing and weed control, and we will no longer contract with Tru Green. Committee agreed, DJ will proceed.

- Tractor attachment for a Brush , this brush would be used for sand removal from parking lot in the spring, as well as light snow removal, priced both LS and JD, \$7150 for an 84 inch back brush on the LS and \$2700 for a front brush on JD 52 inch, Committee approved the front brush for the JD
- Automated Logic (building climate controls) software upgrade, explanation, we really don't have a choice but to keep these updated from the vendor. Cost = 3500
- Track completion overview/summary Mark Digman may attend from Delta 3. We did not get to this item, Mark Digman from Delta arrived as board members were leaving the building. A summary will be included for the full board.

Interested individuals are required to submit a letter of application and may include a short resume for the vacancy explaining why they want to be on the School Board and provide background information.

This term will be from April 14, 2021 to the Spring Election in 2022.

Candidates will be given the opportunity to make a statement on their behalf to the Board of Education at the Regular Board Meeting held in the Library of the Kickapoo Area School District on Wednesday, April 14, 2021. The Board will vote for a candidate to fill the vacancy at this meeting.

Please submit the required documents to:

S6520 State Hwy 131  
Viola WI 54664

on or before 3:00 P.M., Friday, April 9, 2021

**UNEXPIRED TERM FULFILLMENT**

If a vacancy on the Board occurs from death, resignation, removal, or other causes, the vacancy will be filled by an appointment made by a majority vote of the remaining members within 60 days of when the vacancy first existed. The appointee will receive confirmation in writing. The appointee will execute the oath of office and be immediately seated, or not later the next regular or special Board meeting. The Board President will assign the appointee to standing committees and other delegated responsibilities as necessary.

When a vacancy occurs, qualified electors may contact the Board to express interest in the position. Board members may also contact qualified electors to determine their interest in the vacancy. Such an appointment will be for the remainder of the unexpired term, or until a successor may be elected according to the Wisconsin Statutes.

The vacancy shall be announced in the local newspaper for a minimum of two(2) weeks prior to the deadline for applications. The notice shall identify: a) the position that is open; b) the deadline for acceptance of applications, including a specific date and time; c) how interested individuals are to apply.

Interested individual(s) will be required to write a letter of application and may include a short resume for the vacancy by explaining why they want to be on the School board and provide background information. The letter of application must be submitted by the deadline. If only one, or no applications are received by the deadline, it may be extended by a majority vote of the Board.

The Board will consider all candidates at a properly noticed meeting, and each will be given an opportunity to make a statement on their behalf. Voting on the candidate(s) shall be done in open session, by signed ballot vote. The vote of each Board member will be recorded in the minutes in keeping with Wisconsin Statutes. The candidate receiving the majority vote of those members present will be deemed the winning candidate. The winning candidate will receive confirmation of the Board's decision in writing. Unsuccessful candidates will be notified in writing.

The candidate will execute the oath of office and be seated on the Board immediately, or not later than the next duly noticed Board meeting. The Board President will assign the candidate to standing committees and other delegated responsibilities as necessary.

**AFTER 60 DAYS**

If the remaining board members have not appointed a replacement within 60 days of the date on which the vacancy first existed, than at a duly noticed Board meeting held no later than 45 days after the end of the initial 60 day period, the Board shall attempt to appoint a qualified elector to fill the vacancy by a majority vote. If after five (5) rounds of voting the Board is still unable to fill the vacancy, then the Board President shall declare a deadlock and immediately call for nominations in order to break the deadlock by random selection of a nominee.

A nominee must be a qualified elector who has submitted a sworn declaration of eligibility to fill the vacancy, and who has not withdrawn from consideration. Each Board member who is present at the meeting may nominate, or support the nomination of, only one nominee. Each nominee, if any, whose nomination is supported by at least two (2) Board members, will be included in the random selection process. Any nominee selected as a result of the random process is thereby selected to fill the vacancy.

If, for any reason, the vacancy is still unfilled 105 days following the date on which the vacancy first existed, then the procedures listed above shall be repeated at duly noticed Board meetings held at approximately monthly intervals until either the vacancy is filled or there are fewer than 60 days before a duly elected successor will take office in the vacant seat.

DJ, thank you for the call today in regards to purchasing a lift for school maintenance. Please reach out to Ron the store manager if you want to inspect this scissor lift. I will be the point of contact for the sales contract and final payment. I mentioned using a "socks" for the tires when working on the gym floor, I think they are about \$150 but Ron can verify the cost and availability as well.
