

March 11, 2021

Dear Parents & Guardians of Seniors:

The Yearbook Crew is asking for your help to create the Senior Section of the yearbook.

Senior photos are due by April 15th. If we do not receive a senior photo from this year by April 15 or I do not hear from a senior or parent/guardian of a senior about when I will receive one, the yearbook will publish the photo taken by Lifetouch at the beginning of the year.

Photos can be e-mailed to me at bornee@dwight.k12.il.us as **.jpg files** or students can bring photos to me so I can scan and return them the next day.

Most seniors have turned in their **photos from before high school**, so please check with your senior to see if he/she has turned one in. The photo from before high school will be placed beside each senior's current photo.

There is also an optional opportunity to purchase online a **dedication to your senior** that includes a message and an additional photo for \$30; there will be a designated section in the yearbook for these dedications. Dedications can be ordered online at **yearbookforever.com** by **April 15**.

You can **purchase the yearbook online** at **yearbookforever.com**. Enter "Dwight Township High School" and make your purchase. We have been able to keep our yearbook the same price (\$60) for years thanks to our local businesses' support through advertisements in our book.

If you have questions about submitting photos, yearbook purchasing, or senior dedications, please do not hesitate to contact me at bornee@dwight.k12.il.us.

Best,

Dr. Erik Borne
Yearbook Adviser
