The following is a list of the various GAME DAY OPERATIONS for our county:

****There will only be advance tickets sold per the guidelines set forth by the WVSSAC. At this time, we are allowing each athlete and those who live with them in their household to purchase a ticket. (If the athlete lives in two different households where parents have split custody of the athlete then we allow for both households.)**

****Should our county turn yellow according to the WV Schools Re-Entry Metrics Model then it will be parents (or step parents) only that can purchase tickets and come to the game as noted below.**

****Each ticket will be purchased in advance through the coaches. The coaches will then turn in their money to the financial secretary and then we will give them tickets in sequential order to give back to the athlete to disburse to his or her household.**

****We are NOT accepting any other types of passes this year due to the WVSSAC guidelines for COVID. Only the WVSSAC Administrator's Pass is allowed at this time.**

****We will have multiple entrances for each game. For all games we will have a gate for the Home team and a gate for the Visitors. At Football games we will also have a gate for the Band.**

****Face coverings are required to be worn to the games and during the games. Spectators can remove their face covering while sitting outside once they are seated and socially distant from other households. If spectators get up to go to the restroom or the concession stand or just walking around, basically anywhere besides their seat then they must wear their face covering. Spectators in the indoor facilities are expected to wear a face covering at all times even when seated.**

****There will be minimal concessions and they will be following the COVID guidelines from the Health Department.**

****The varsity football games will be livestreamed through the 93RRR Facebook page.**

Guide for Spectators at Athletic Contests

If Home Team is	And Visiting Team is	Spectators Limits
Green	Green	Both Teams-Immediate family households for athletes, band members and coaches
Green	Yellow	Home Team-Immediate family households for athletes, band members and coaches Away Team- Parents only and coaches' spouses
Yellow	Green	Both Teams-Parents only and coaches' spouses
Yellow	Yellow	Both Teams-Parents only and coaches' spouses

Thanks for your patience as we all navigate our way through the COVID guidelines set forth by the WVSSAC, the County Health Departments, Our Board of Education and Administration.
