RE: Community Visioning Events

Dear Members of the MSAD 49 Community:

MSAD 49 has been selected for a Major Capital Improvement Project by the Department of Education. The scope of this project is yet to be determined. The Building Committee would like your input in order to help define the project.

In order to reach out to important community members such as yourself, the Building Committee is hosting two events this winter:

Community Forum Event

January 19, 2021 at 5:30pm – 7:00pm

January 20, 2021 at 7:00pm – 8:30pm

Location: Lawrence Junior High School Gymnasium

The goal of these Community Forum Events is to hear ideas, concerns, and suggestions from the communities of MSAD 49. We want to share with the communities the process and schedule for the project in the upcoming year. Most importantly, we want to provide opportunities for participation.

We look forward to seeing and hearing from you and one or both of these events.

Please note that updates on the project schedule, process, and upcoming events can be found at <https://www.msad49.org/page/school-construction-project>

Sincerely,

Roberta E. Hersom
