

INDIANA IMMUNIZATION COALITION

IMMUNIZATION CLINIC

WHITELAND COMMUNITY HIGH SCHOOL
NORTH ANNEX BUILDING

FRIDAY, APRIL 23 8:30 AM - 11:30 AM

If you would like to have your student participate in the immunization clinic, please complete the consent and questionnaire online at

<https://patients.vaxcare.com/registration> with code **IN65942**

We accept all forms of insurance (private, Medicaid, Medicare) and there is no cost for those without insurance. Please register within 24 hours of the event.

If your student is facing exclusion from instruction due to missing immunizations, this is a great opportunity for them to become current with all required immunizations. You can also get your student immunized so they're ready for Fall 2021

Students who participate in the clinic will be vaccinated with all recommended vaccinations that are due at the time of the clinic. Vaccines that may be administered include DTaP/Tdap, Hepatitis A, Hepatitis B, Polio, Influenza, MMR, Human Papilloma Virus, Meningitis and Varicella. Please note that The Indiana Immunization Coalition will vaccinate with all ACIP recommended vaccines unless we are contacted for specific vaccine refusal 48 hours prior to the clinic **via email to clinic@vaccinateindiana.org or phone 317-628-7116.**
