

Pioneer Central School District

Dear Parents/Guardians:

Pioneer Central School District offers healthy meals every school day. Breakfast will be provided to all students at no cost.

Students enrolled at Delevan Elementary School will be participating in the Community Eligibility Program. All students enrolled at Delevan Elementary School will receive breakfast and lunch at school at no charge to your household each day of the 2022-2023 school year. No further action is required of you. Your children will be able to participate in these meal programs without having to pay a fee or submit an application.

2022-2023 School Lunch Pricing:

Arcade Elementary	\$2.40
Middle School	\$2.65
High School	\$2.65

My School Bucks is no longer in place with your student's meal account. We will be implementing a new Point of Sale system called Titan. Titan will be setup with a parent portal enabling you to view your student's account activity, balance information & apply money to their accounts. Updates will be posted as soon as this program is available for parents/guardians. Please note that any money that was on your student's account at the end of the 2021-2022 school year will transfer over and start off the 2022-2023 school year.
