

Pioneer Varsity Football Game Reminders

Pioneer School District strives to maintain a safe and enjoyable environment for all spectators in attendance at home games. With that in mind the Pioneer Athletic Department has issued the following rules and guidelines for fans attending varsity football games at Memorial Stadium:

- All bags must conform with the Pioneer [bag procedure](#). No backpacks may be carried into the stadium. An exception can be made for older adults if staff are allowed to look into the bag.
- Blankets will be shaken out to check for hidden items.
- No noise makers, horns, or any items that create a loud noise, or items that spray out any kind of material (for example, confetti cannons or baby powder containers)
- No parents or students will be allowed on the playing field unless directed by coaches.
- Once a person leaves the stadium, they cannot return.
- Middle and elementary students are not allowed into the game without an adult, and they must be supervised during the game.
- Any game utilizing a ball that is not on the field of play is prohibited. Balls will be confiscated.

Thank you in advance for your cooperation.
