Pioneer Girls Soccer Program	Recognizing: The Pioneer girls soccer program would like to to recognize a very special women, friend and coach. Someone Gave 30 years of dedication to Pioneer as a Teacher and Coach of Girls Basketball and Field Hockey from 1969-1999. Throughout those 30 years she never stopped fighting for equality for the girls and women at Pioneer. This Coach started her quest for quality in sports and coaching in 1972 and found herself fighting in the court system in 1976. Her perisistance and passion for title IX prevailed and her success set the wheels in motions for equality and change for females in sports for all future years to come at pioneer. She has been and icon for equality and a role-model for many in our community. On behalf of the Pioneer Girls Soccer Program we would like to introduce and Thank CoachVal Relyea!!
