

Tenino School District Title I Compact

Please read and sign with your child. If you have any questions, please contact your schools Title I teacher or Joanne Mabbott, Executive director of Student Support at 360.264.3408.

School Responsibilities:

Tenino School District and the parents of the students participating in activities, services, and programs funded by Title I of the Every Student Succeeds Act (ESSA) agree that this compact outlines how the parents, school staff and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards. This compact is in effect during the **2017-2018** school year.

The School will:

1. Provide differentiated, high quality, curriculum and instruction, based on assessment results, that is taught in a supportive and effective learning environment which enables the participating children to meet the state's student academic achievement standards.
2. Hold parent-teacher conferences each fall during which the compact will be discussed as it relates to your child's achievement.
3. Provide parents with **report cards two times a year** to share each student's progress.
4. Provide parents opportunities to communicate with staff through **conferences two times a year**, email, phone calls, and other meetings as needed.
5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities by setting up volunteer schedules with parents who have been approved to volunteer.

Parent Responsibilities:

We, as parents, will support our children's learning in the following ways:

1. Helping my child be at school on time.
2. Making sure my child's homework is complete.
3. Participating, as appropriate, in decisions relating to my child's education.
4. Promoting positive use of my child's extracurricular time.
5. Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or district and responding as appropriate.
6. Serving, to the extent possible, on policy advisory committees.

Student Responsibilities:

We, as students, will share the responsibility to improve our academic achievement and achieve the state's high standards by:

1. Completing my homework every day and asking for help when I need to.
2. Reading at least 20 minutes every day outside of school time.
3. Giving my parents or guardians all notices and information about school.

Copies of the building Parent Engagement Policy is available on the Tenino School District website. If you wish to file a complaint about any Federal Title program, please download and fill out the form on the OSPI website, or pick the form up at the Tenino School District office.
