

March 10, 2021

Hello 8th grade parents,

We would like to notify you that your student will be taking the **PSAT 8 on Tuesday, April 13 at 9:00 am**. This is a practice SAT, which all of our students will be taking as juniors. **If your student is a remote learner, we ask that they return to the building for testing day.** This is a national standardized test, and we are expected to test every student.

Please make sure they come prepared with a few pencils as well as a calculator if they have their own. It is important that they get a good night's rest the night before and eat a healthy breakfast the morning of the test.

Your child will also be required to participate in the Science and Social Studies MSTEP, with a testing window of 4/12-5/7. More information will be coming home about the dates for testing for distance learners, as we are able to have more flexibility with that. It is imperative that we get all testers here on Tuesday, April 13 for the PSAT however, so please help us in making that happen.

Don't hesitate to contact me if you have any further questions about spring testing at jpletcher@ellsworth.k12.mi.us or 231-588-2544 ext. 25005.

Sincerely,

Jessica Pletcher
