

Penn Brook Club is a private swim club located in downtown Pennington, that provides its members with lasting memories of summertime fun. Our facility has a large main pool, diving pool and enclosed kiddie pool. We are situated on a beautiful, bucolic property bordered by a babbling brook, so there is plenty of space to spread out and relax. Last summer, despite many necessary Covid-19 restrictions, Penn Brook was able to implement measures to ensure the safety of those at the pool and remained open until the end of the season in mid-September. Members engaged in many activities such as Early Morning Swim, Senior Swim, swimming and diving lessons and an outdoor movie night!

Penn Brook Club plans to open this year in time for Memorial Day Weekend, 2021.
