Government/Economics
World History

World Language: 2 Credits

Visual/Performing/Applied Arts: 1 Credit

IMPORTANT

Failed Courses and Recovery

- If you fail a course in High School you MUST recover that class.
- So what does that mean?
- Example: If you fail Algebra 1st semester (First 18 weeks) you must retake the class for 1st semester.
- Your grade depends on how many credits you earn for the year (how many class you pass)
