

Original Works

New Deadline

Thursday March 18th

Question: Can we still send in the artwork from last year?

Answer: Absolutely! We can have any orders you were wanting last year to be processed this year. On your order form just make sure the teacher's name is your child's teacher this year so we deliver the finished products to the right classroom.

Question: Will my order arrive before Mother's Day?

Answer: Yes! Orders will be delivered to the classroom at the end of April for your child to bring home.

Question: If I have any questions in regards to Original Works who should I contact?

Answer: Please send an email to pto@westvalleyschool.com if you have any questions.
