

# ROCK YOUR SOCKS

FOR WORLD DOWN SYNDROME DAY

#ROCKYOURSOCKS

## Attention RSD Staff and Students!

On Thursday, March 18, we invite students, teachers, staff and administrators to Rock Your Socks in observation of World Down Syndrome Day (WDSD).

Wear your most **colorful, cool socks** to celebrate people with Down syndrome (DS) in your school community. People all around community, country, and the world will be celebrating with you.

Many schools have used this day as an opportunity to educate students about Down syndrome and help foster a school community that celebrates diversity, differences and inclusion.

Thank you for participating in this worldwide celebration!

Share a picture of your school rocking your socks on your school's Facebook page.
