

54% of the Project will be paid by the state through the Ag2School Credit

ISD 891, Canby Source of Debt Service Payments

Beginning in taxes payable 2023 the Ag2School Credit pays for 70% of all bond taxes levied on agricultural land and buildings.

Notes:

1. The Ag2School credit applies to agricultural land and buildings. The house, garage and first acre of land do not benefit from the Ag2School credit.
2. The Ag2School credit does not increase or decrease the tax impact on all other property types.
3. The percentages in the chart above are based on valuations for taxes payable in 2022.
