March 16, 2021

Dear Bloom-Vernon Local Community,

I am writing to inform you that a student who attends Bloom-Vernon Elementary has tested positive for COVID-19. Due to privacy laws, we cannot disclose further information about the employee. Whenever a person has a suspected or confirmed COVID-19 case, they must quarantine per the CDC and local health department guidelines and may not return until they meet the CDC's criteria for returning to school.

The local health department has been notified of this situation. We are asking the health department to assist in conducting contact tracing to identify individuals who had close contact with the employee who tested positive. If your child had close contact with this employee, you will be contacted by the health department and/or the District and provided instructions for self-care and any necessary quarantine period. Based on guidance from the health department and other agencies the facilities at Bloom-Vernon Elementary has been deeply sanitized and are not closed. District employees and students should continue to follow CDC guidelines and recommendations, and should continue to practice social distancing.

Based on the information we have received, the end of the 10-day incubation period for anyone possibly exposed to the employee in the district is March 23, 2021.

As a precaution, we encourage you to monitor your health, follow CDC guidelines, and contact your doctor if you develop COVID-19 symptoms.

The District is continuing to monitor this situation. We will provide additional information when permissible. We hope our student remains well.

Sincerely,

A handwritten signature in blue ink that reads "Marc Kreischer".

Marc Kreischer
Superintendent
