Greetings Parents,

Richmond Heights Local Schools has partnered with D.A.N.C.E. Therapy LLC and we are planning to do in-person programming on **Mondays** and **Fridays** from **2:15pm-3:15pm** starting on **March 15, 2021**. The goal is to ensure that every student has an opportunity to express themselves through dance/movement while participating in team-building activities. D.A.N.C.E. Therapy also serves as a support group for students by encouraging them to be leaders in the classroom as well as in the community.

If this is something that you feel would be beneficial for your child please sign below to register. We appreciate your commitment in this matter as we agree to invest in the social/emotional wellness of our youth. Thank you for your time and attention!
