Campbell/Moss Staff Appreciation Week is coming in May!

Thanks to generous parent donations in previous years we have been able to honor the Campbell/Moss teachers and staff with many exciting events! In past years we have used donations to cater a delicious lunch, host a full coffee and smoothie bar by Cai's Cafe, stock the teachers lounge with snacks and drinks and hold a fabulous prize raffle! During the unprecedented circumstances in 2020 we provided Target gift-cards to teachers and staff members in addition to hosting a online prize raffle, providing lawn signs of appreciation for all teachers and donated snacks to the heroes in our medical community at JFK hospital.

With your support we can make 2021 Staff Appreciation Week SUPER!
