

# Virtual Listening Tours

*Save the Date!*

**The Slate Valley Unified School Board is hosting a week of Virtual Listening Tours beginning on March 16th.**

## **Topic: District Reorganization**

Please take this opportunity to continue the discussion about the board's plan for district reorganization.

Currently the board is exploring a plan for district reorganization that would include the consolidation of all district middle school students to the high school beginning with the 2022-2023 school year. This would result in the closure or educational repurposing of Castleton Village School. Sixth grade students in Castleton would then attend Castleton Elementary School.

To address the anticipated low enrollment of middle school students in Benson Village School, the board voted on December 7th in favor of in-district school choice (with transportation) for 7th and 8th grade students for the 2021-2022 school year.

Listening tours are an opportunity to have a conversation with board members. **You may attend any of the meetings - regardless of which town you reside in.** Please join us at **6 p.m.** for a discussion about district reorganization on the following dates:
