

Drug-Free School Policy

In accordance with Federal Law, the Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs include any alcoholic beverage, an anabolic steroid, dangerous controlled substance as defined by state statute, or substance that could be considered a “look-a-like” controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbooks, up to and including expulsion from school. When required by state law, the district will also notify law enforcement officials. The district is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which he/she receives help through programs and services available in the community. Students and their parents should contact the school principal or counselor whenever such help is needed.
