My preferred pronouns are She/Her/ella. I am a proud alumnus of Avenal Elementary, Tamarack Elementary, Reef Sunset Middle School, and Avenal High School (class of 2009). I have my Bachelor's degree in Sociology from UC Merced and currently pursuing my Master's in Public Sociology from The University of Arizona Global Campus (formally Ashford University). I am an Academic Advising Specialist II and DREAM Resource Liaison at West Hills College Coalinga and a proud member of CSEA Chapter 429. I am eager to serve and champion for our students, parents, and district-wide employees as we continue through this historical and crazy time. My favorite motto and piece of advice is "Stay Weird"
