## 2021 Veneta DIY Easter Egg Hunt Details Announced

Veneta, OR — The annual Veneta Easter Egg Hunt will be a “Takeout Event” instead of in-person this year. We want to keep our children and families safe, but still allow the kids to have a proper Easter egg hunt. Instead of the traditional hunt at Veneta Elementary School, for this year’s event we will give bags with eggs and fun gifts to all grade K-3 children at Veneta and Elmira Elementary School.

The Easter Bunny will hand out bags with kits for children to take home for their own Easter Egg hunts at Veneta and Elmira Elementary School in class on April 1 and 2 (Thursday and Friday). For local home-schooled and distance-learning children, and students at Applegate Elementary, the Easter Bunny will be handing out bags at Veneta Elementary School on Saturday, April 3 from 9am to 11am, or until supplies last. All bags include a coupon for a free book from Dolly Parton’s Imagination Library.

There will be a special online story time courtesy of Fern Ridge Library on Saturday, April 3 at 11am. Join Ms. Caitlin for an Easter Egg Hunt Storytime on the [Fern Ridge Library Facebook](#) page and [YouTube](#) channel.

We’re all looking forward to a return to normal, but we’re not there yet. Let’s all do our part to help us get there sooner by staying safe! We hope to see everyone in person for our traditional hunt next year.

The City of Veneta provided the funding to purchase plastic eggs, candy and 600 bags. This event would not have been possible without the help of many local volunteers, including the Fern Ridge Kiwanis Club and staff at Lane Fire Authority. It’s community partners like this that make Veneta such a great place to be.
