

MHS IN-HOUSE ADMISSIONS VISITS

Every year admissions representatives from a good number of colleges and universities visit MHS in the fall. Students are STRONGLY ENCOURAGED TO PARTICIPATE! Reps are here to:

- provide information about their institutions, AND
- assist students planning to apply.

**THESE ARE THE REPS WHO WILL BE READING YOUR APPLICATIONS.
FACE-TIME WITH THEM IS VALUABLE.**

Spending time with the reps is a great tool for finalizing applications as well as learning about the school.

Visits may be virtual or in-person, depending on the rep and circumstances. Students are required to register to attend in person visits but may not for virtual. All seniors are sent emails from The Counseling Department with instructions.

To prepare and plan for your visits, beginning in mid-September, you can find a list of all visiting schools and the dates of their visits on Naviance. Instructions for finding those visits are below:

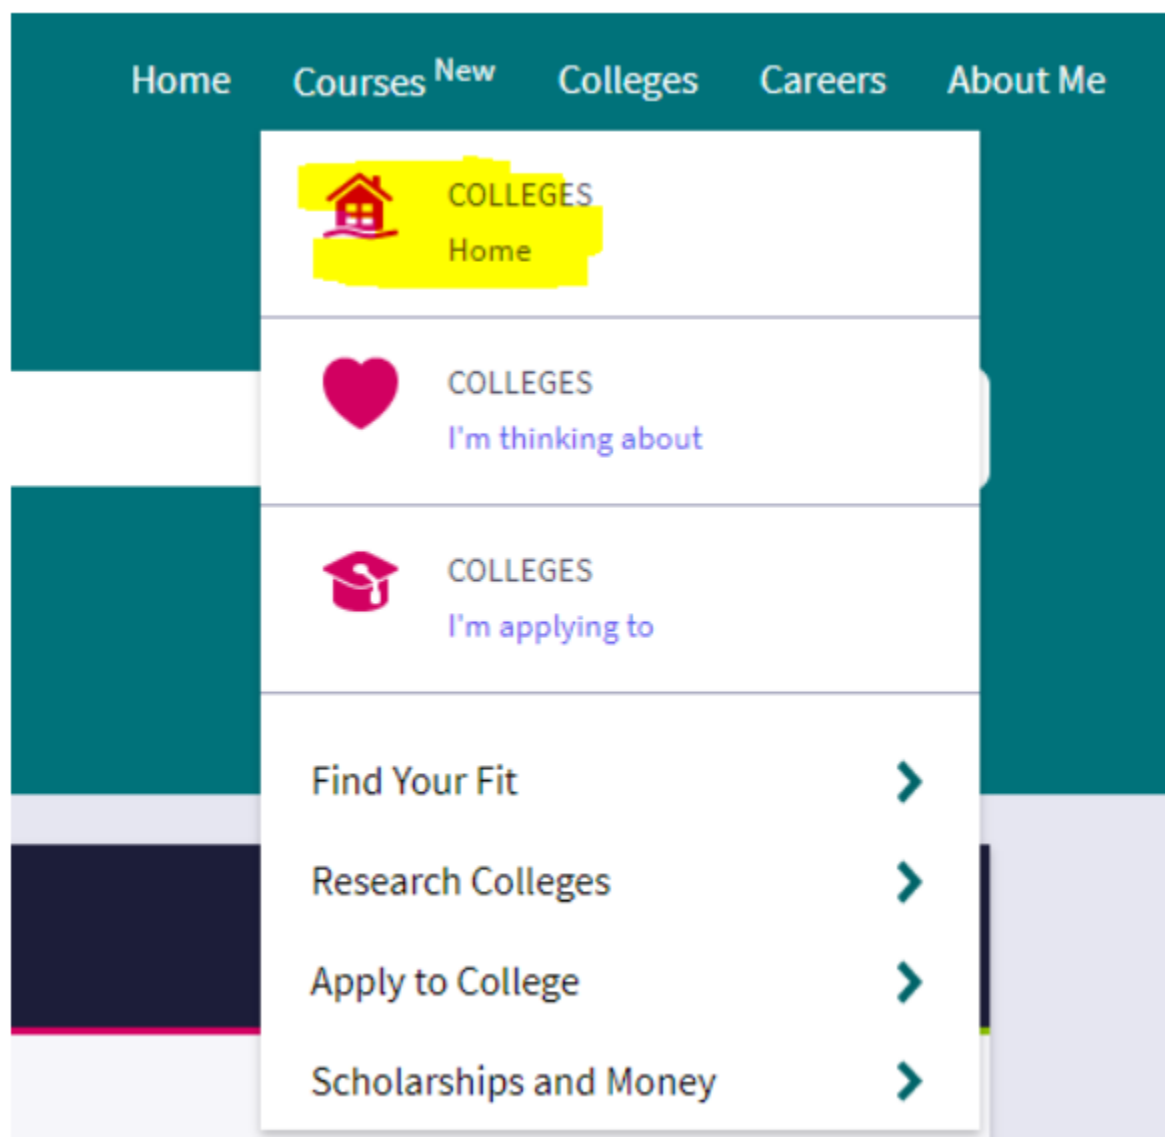

We hope you are able to participate in this valuable admissions program.

ADMISSIONS VISITS IN NAVIANCE:

1. From the student account Naviance home screen, select COLLEGES

2. Then click the COLLEGES Home section

3. Scroll-down to the College Visits box. The SHOW MORE button enables you to view ALL of the currently scheduled admissions visits (colleges are continuing to schedule time with us, check this list frequently)
