RETURN FROM SPRING BREAK

Thank you to everyone who completed our Spring Break Questionnaire, the results gave us great insight as to how our community will be spending this time off. About 20% of our community will be traveling outside of New Jersey. Based on those findings, we have decided to make the week after spring break, from April 12th - 16th, all virtual. This will give students and staff time to quarantine for the required 10-days after traveling and will keep our schools safe. We will return to our in-person hybrid program on Monday, April 19th. Thank you for your continued support as we navigate this Covid-19 school year, please reach out to your school leads with any questions or concerns.

VACCINATIONS AT THE KROC

REGRESO DE LAS VACACIONES DE PRIMAVERA

Gracias a todos los que completaron nuestro Cuestionario de vacaciones de primavera, los resultados nos dieron una gran idea de cómo nuestra comunidad pasará este tiempo libre. Aproximadamente el 20% de nuestra comunidad viajará fuera de Nueva Jersey. Basándonos en esos hallazgos, hemos decidido hacer que la semana después de las vacaciones de primavera, del 12 al 16 de abril, sea toda virtual. Esto les dará a los estudiantes y al personal tiempo para ponerse en cuarentena durante los 10 días requeridos después del viaje y mantendrá nuestras escuelas seguras. Regresaremos a nuestro programa híbrido presencial el lunes 19 de abril. Gracias por su continuo apoyo mientras navegamos este año escolar Covid-19, comuníquese con los líderes de su escuela con cualquier pregunta o inquietud.
