The regular meeting of the Board of Education, White Salmon Valley School District, Klickitat and Skamania Counties, White Salmon, WA was called to order at 7:00 p.m. Thursday, February 25, 2021 via a ZOOM public meeting per Senate Concurrent Resolution 8402 (2021), extending the Governor's emergency proclamations, including 20-28 "until the termination of the state emergency pursuant to RCW 43.06.210 or until rescinded by gubernatorial or legislative action, whichever occurs first." Present: Chairman Paul Mosbrucker, Alan Reitz, Andrea VanSickle, William Gross, Laurie Stanton, Supt. Jerry Lewis, and guests.

Additions/Deletions to Agenda:

Report Item: F. Pool Update

Action Item: C. Superintendent Search Agency Selection

Laurie Stanton moved to adopt the agenda with the additions. Seconded by Alan Reitz. Carried.

Alan Reitz moved to accept the Consent Agenda; January 2021 board minutes, February special meeting minutes, multipurpose facility change orders, and general fund bills including checks 51950 through 52014, totaling \$152,977.04 and checks 52056 through 52071 totaling \$48,502.93. ASB fund checks 52015 through 52017, totaling \$367.14. Capital Project checks 52018 through 52023, totaling \$655,038.00. Electronic deposits to the Department of Revenue of \$812.08 and \$132.51. Payroll checks 52024 through 52055 including electronic deposits and payroll tax in the amount of \$1,103,670.27. Seconded by Andrea VanSickle. Carried.

Audience Comments: Audience comment was provided by: Tao Berman.

Reports:

- a) **Enrollment Report:** Dr. Lewis reported that the enrollment maintained from the previous month and that the district is currently sitting with an average of 96.79 FTE below the budgeted amount.
- b) **State Legislation update:** Dr. Lewis, Alan Reitz, and Laurie Stanton shared updates from the virtual legislative conference that they recently attended. Presentations were given by students from Washington schools, legislators, Chris Reykdal, and Governor Inslee. Topics included ESSER funds, student voice, stabilization, enrollment, and transportation. Laurie stated that she would be sending the information regarding the hot topics to the board.
- c) **Bond Projects Update:** Dr. Lewis shared that the Health and Wellness Center as well as the additional CHS classroom have received occupancy. They are in the furnishing and finishing stages, and the hope is for them to be ready for use mid-March. The Multi-purpose Facility is slated to be completed the end of March.
- d) **In-Person Board Meetings Update:** The board discussed returning to in-person regularly scheduled board meetings. Upon the return to in-person meetings, requirements set forth by the State of Washington must be met, and a virtual attendance option will still be provided for those who are unable or choose not to attend in-person. The board will proceed with moving to in-person meetings, with a plan to hold the March 2021 regularly scheduled meeting in-person at the Columbia High School Library.
- e) **District Instruction and Learning:**
 - i. Reopening District In-Person Learning Update: Principals updated the board regarding the return to in-person learning and how it has been going.
 - ii. Career & Technical Education: Emily Gehrig updated the board on each area of CTE offered to students. Updates were given regarding Agriculture, Business, welding/metals/robotics, and woodshop. Updates included what is happening and how it is going with the adjustments to meet the distance learning and hybrid model.
- f) **Pool Update:** Lloyd DeKay provided an update to the board on the pool project. The update included information regarding potential general contractors, property lines and fencing, as well as parking needs and a potential parking agreement with the district. Parking information will be shared with the board.

Action Items:

- a) **Resignations/Leaves/ Retirements:**

Alan Reitz moved to accept the resignation of John Hallead, Columbia High School Teacher and Columbia High School Baseball Coach, Cheri Hill, Columbia High School Assistant Girls Soccer Coach, Dan Smith, Henkle Middle School Teacher, Adriana Clayton, Columbia High School Girls Soccer Coach, Karynn Campbell, After School Program Paraeducator, Jenna Mobley, Columbia High School Teacher, Terry Parchuk, Whitson Elementary School Custodian, Bradford Brandt, Bus Driver, and Brandy Miller, Whitson Elementary AM Crossing Guard. Seconded by William Gross. Carried.

Andrea VanSickle moved to accept the leave requests of Leslie Wallace, Columbia High School DLD Paraeducator, for third trimester and Tarnna Simpser, Wallace and Priscilla Stevenson Intermediate School Teacher, for the 2021-2022 school year. Seconded by Laurie Stanton. Carried.

Alan Reitz moved to accept the retirement of John Hadley, Columbia High School Teacher. Seconded by William Gross. Carried.
- b) **New Hires:** Alan Reitz moved to approve the hiring of Michelle Kock, Columbia High School .5 Math Teacher, Kacy Buffum, Whitson/Wallace and Priscilla Stevenson Intermediate School Custodian, Alondra Cazares-Garcia, Columbia High School Girls Soccer Coach, and Lindsay Zullo, Whitson Elementary 3rd Grade Online Teacher. Seconded by Andrea VanSickle. Carried.
- c) **Superintendent Search Agency Selection:** The board decided to wait on the decision, and instead move this item to a special meeting, to be scheduled for Saturday.

At 8:47 p.m. Chairman Mosbrucker announced the board would adjourn to executive session, closed to the public, for five minutes to discuss personnel per RCW 42:30.110(g), and that no action will be taken upon their return. The board reconvened to open session at 8:53 p.m.

At 8:54 p.m. Chairman Mosbrucker adjourned the meeting with a motion by Adrea VanSickle. Seconded by Alan Reitz. Carried.

The next regular board meeting will be at 7:00 p.m., Thursday, March 25, 2021 held at the Columbia High School Library located at 1455 NW Bruin Country Rd., White Salmon, WA 98672. The meeting will also be hosted remotely via ZOOM.

ATTEST:

Chairman

Secretary

The Special Meeting of the Board of Education, White Salmon Valley School District, Klickitat and Skamania Counties, White Salmon, WA. was called to order at 9:00 a.m. Saturday, February 27, 2021 via a ZOOM public meeting per the Governor's proclamation 20-28 Open Public Meetings Act and Public Records Act. Present: Paul Mosbrucker, Alan Reitz, Laurie Stanton, William Gross, Andrea VanSickle, and guests.

The board discussed the selection of the superintendent search agency to lead them through the process of hiring the next superintendent. The board reviewed the proposals and will move forward with the three companies who submitted proposals. Contact will be made with each company, MacPherson & Jacobson, LLC, Northwest Leadership Associates, and Ray and Associates, in order to set up presentation times. The board will request the proposals for Tuesday and will complete a list of questions for the search agencies by Monday.

At 9:38 a.m. Chairman Mosbrucker adjourned the meeting with a motion from Alan Reitz. Seconded by Andrea VanSickle. Carried.

The Special Meeting of the Board of Education, White Salmon Valley School District, Klickitat and Skamania Counties, White Salmon, WA. was called to order at 11:00 a.m. Tuesday, March 02, 2021 via a ZOOM public meeting per the Governor's proclamation 20-28 Open Public Meetings Act and Public Records Act. Present: Paul Mosbrucker, Alan Reitz, Laurie Stanton, William Gross, Andrea VanSickle, and guests.

Board Chairman Mosbrucker announced that the purpose of this meeting would be to receive presentations from the superintendent search agencies who submitted proposals to the board and to select the agency in which the board would move forward with to perform the superintendent search.

The board received presentations from Glenys Hill and Roger Rada, with NW Leadership Associates, Michael Collins, Steve Chestnut, Steve Cochrane, and Ann Schultz, with Ray and Associates, and Steven Lowder and Douglas Nelson, with MacPherson and Jacobson LLC.

After the presentations were complete, the board discussed the presentations and proposals and reviewed the options.

Action Items

Laurie Stanton moved to select NW Leadership Associates to lead the board through the process of hiring a new superintendent for the district. Seconded by William Gross. Carried.

At 12:19 p.m. Chairman Mosbrucker adjourned the meeting with a motion from Laurie Stanton. Seconded by Alan Reitz. Carried.

Columbia High School

School Board Report 3/25/21
By Craig McKee & Brian Morris

Graduation

We plan to have outside graduation in the CHS stadium on Saturday, June 5, at 11:00 a.m. We are now able to have 400 people attend the celebration. This would allow each graduate to invite four people. We are hopeful that the number of participants allowed to attend will increase in the next couple of months, so we do not have to limit attendance.

Homecoming

Our ASB officers would like to have homecoming the week of April 26 through April 30. They are looking into ways to have safe, competitive class competitions. I want to thank Peter Knowles and the ASB officers for all the hard work they have put in to build school spirit during these difficult times.

School Pictures

Student photos are happening on March 23 & 24 in the CHS library from 8:15-12:30 for A-Day and B-Day students. Distance students will have the opportunity to have their photos taken from 1:00-2:30 on both days.

Athletics

Washington State has moved into Phase 3, which allows us to have up to 400 spectators at our athletic events.

- Season # 1: Volleyball, Cross Country, Girls' Soccer, and Football
 - The last varsity football game of the season is this Friday, March 19, at 7:00 p.m. against Goldendale. The district cross country meet is at Harmony Sports Complex in Vancouver on Friday, March 19, at 2:30 p.m.
- Season # 2: Track, Boys' Soccer, Softball, Baseball, and Tennis
 - Season #2 sports started on Monday, March 15
- Season # 3: Boys' Basketball, Girls' Basketball, Boys' Wrestling, and Girls' Wrestling
 - Season #3 sports will start on Monday, April 26

Campus Improvements

It has been exciting to have students back in the building to enjoy all the new campus improvements. I want to thank Mike Clark and the district's maintenance and custodial team for painting doors, the library, concession stand, weight room, and the Health and Wellness Center. Jesse Bryan has done a fantastic job with metalwork for our concession stand, Trico team mascots in the gym, and signs for the baseball field and the softball field. CHS has a brand new portable with

two classrooms. It will be the first time in at least seven years we have not had to have teachers use other teachers' rooms during their prep periods. The CHS weight room has been expanded and also has new flooring. The Austin Bucklin Memorial Pavilion is finished and ready to house animals. The All-Purpose Facility is close to completion. Our students and community will enjoy this building for many years to come. We also have a walking path from the C court parking lot to the All-Purpose Facility. We are still waiting for the walking path to be paved. There is also a chance the walking path will be extended around our campus.

Henkle Middle School March Board Report

Greetings WSVSD Board Members,

In-Person learning feedback from staff:

- The power of groups and learning - peer to peer support and structures that take place “in” the classroom to help facilitate learning is so powerful. When there’s a problem, peers can help solve the problem together.
- The power of community of students and staff having each other in person again and how much more efficiently learning takes place for all.
- Love hearing them laugh and sharing their voice. During distance they were silent behind black screens or did not engage often in zoom and now they are raising their hand, sharing with their peers and engaging in the learning process.

Small Group Learning Labs - these groups take place for students on opposite cohort days, allowing students to attend four days a week.

- Our Emerging Bilingual Staff, Christopher Cazares and Haley Harkema are doing an incredible job providing our EB students with additional classroom support, art class, and stem projects on their opposite cohort days. There are 23 students receiving 8 additional hours of academic, language, and SEL support.
- Phoebe Kruchoski, our SPED teacher, is also providing a small group on opposite cohort days to student SPED students in addition to students identified as needing additional social emotional support or academic help. There are 21 students receiving 8 additional hours of academic and SEL support.
- If we had more room and staffing, we could provide more students support on opposite cohort days.

Inclusionary Practices Project

Henkle is taking part in this IPP as part of a WA state grant. Eight staff members, including myself, are engaging in this project to learn, reflect, analyze current systems and structures, and begin developing a plan on how to implement and design our current structures and systems around more inclusionary practices.

Last week, we shared Shelley Moore’s [Presuming Competence](#) Video and discussed in small groups our notices and wonderings. We will continue the work in our net PLC meeting around What does it look like, feel like, sound like?

- What kinds of words will we use or not use around here?
- What are the indicators that I am presuming competence?
- What are the indicators that I am not?
- What changes in my classroom when I presume competence?
- How does it affect my classroom/my teaching/our school/our schedule/our unit planning/our lesson planning?

Go Grizzlies,
Haley Ortega

Report to the School Board, March 2021
Wallace and Priscilla Stevenson Intermediate School

Here at WPSIS we've settled into a rhythm that is working well. Kids are coming to school on the right days, we've had more and more join our in-person classes and have another wave joining after Spring Break, and all is going well in the classrooms themselves. Our teachers are working hard and long days, but are all so excited to see the kids that the long hours seem worth it.

Another program adding to the sense of normalcy is the return of the Kodiak Store. Kids are excited that they finally get to spend all of their hard-earned K-Cash and the digital storefront went live this week. This is actually working better than the way we did it last year, we have fewer items to choose from, but no one grade-level gets all the 'good stuff'. For those unfamiliar with this program, the brief explanation is that kids get rewards for positive behavior in the form of Kodiak Cash, and spend it on items in the store, or activities on our Kodiak Friday events. With no events, kids have been saving up cash all year with no way to spend it until now. Shout-out to our ASB advisor Ashleigh Coyner for putting it together for us!

Speaking of ASB, they are taking charge of our next assembly. February featured Lunar New year with lessons throughout the month of taking multiple perspectives and kids learning about which sign of the Chinese Zodiak they are. That was a lot of fun since many of them are 12 in 6th grade so their sign comes up to match and give them a 'lucky year'. This all matched up with our SEL theme for the month: *BENCHMARK 5C - Demonstrates the ability to engage in respectful and healthy relationships with individuals of diverse perspectives, cultures, language, history, identity, and ability*. For our March and maybe our April assembly as well we are hoping the ASB decides to have a talent show. They'll get a gentle nudge in that direction and we hope this to be a spring tradition at WPSIS.

In the month of March our SEL focus for the district is *BENCHMARK 3A - Demonstrates the skills to set, monitor, adapt, persevere, achieve, and evaluate goals*. At WPSIS we are practicing goal setting and each class is learning about 'The Power of Yet'. Students are crafting statements of something they want to do, but can't, and adding 'yet' to the end to show that they can learn and it is okay to not be perfect all the time.

One major academic benefit to having kids in class is the ability to collect reliable assessment data. Kids taking a test or quiz at home get varying levels of help, and have tools available to them that may skew their performance (like a calculator). Now that kids are here, we can collect accurate data about their actual performance. Good news- our kids are trustworthy! With one exception, student performance so far has matched well in-person to what we have seen from kids online. The process of collecting that information and more importantly- giving feedback, is much more effective and efficient in-person. No comment on the State mandated SBAC and WCAP assessments that we administer every year...online.

That's it, all is well at Wallace and Priscilla Stevenson Intermediate School!

Go Kodiaks,
Brian Fraser

March 2021 Board Report - Hulan Whitson

It is an exciting time here at Whitson. We continue to reflect and refine procedures and routines in order to create a great learning environment that is safe and focused. Students and families have settled into their new routine of coming to in-person learning, two days a week, and continuing with distance learning during the other days. Students and Families are also doing a wonderful job being ready to learn when they arrive. They are also doing a wonderful job of making sure that their student wellness screening is complete prior to arrival. Most importantly, as I make my way around from class to class, out to recess, and drop off and dismissal, I see safe, happy, and engaged students who are still eager and excited to be back at school learning in-person with their classmates.

Teachers continue to work incredibly hard as they are now planning, preparing and delivering instruction to both in-person, and distance learning students everyday. Below is a screenshot of my Seesaw dashboard that provides broad schoolwide data in a number of key areas. It is so impressive to look at this data, because I know the amount of work and commitment each one of the numbers represents for staff, students, and their families. I am so fortunate to have such a special team of stakeholders working together to support and engage every student.

Thank you Board for all of your support.

Go Cubs.

March 2021
Board Technology Report

We are continuing to provide support for staff and families with their technology needs and challenges on and off site.

- With the help of volunteers we have been able to livestream several of our sporting events. It has been a big hit!
- All paperwork has been filed and a vendor was selected through our e-rate funding process. Eligible schools receive discounts on telecommunications, telecommunications services and basic maintenance of internal connections. This year we will be using the funding for wireless access points.
- The new format to our district/building websites is now "live". We are continuing to improve and update information shared with the community and parents.
- COVID is still affecting shipping, pricing and availability of technology. We expect to see at least an 18% increase in pricing during the coming weeks.
- Repairs are being made to Chromebooks that have been returned damaged.

Thank you for your continued support,

Rhonda Hardisty -Technology Director
White Salmon Valley Schools

Hello,

I just wanted to begin sharing updates with the district staff so we all know the work that's going on with the Health and Wellness Center, which is made possible because of the levy, WSVEF, and Southwest Accountable Community of Health (SWACH) .

We are now in the process of getting the Health and Wellness Center up and running and plan to have behavioral health services back on campus the first of April. We will be limited to one Therapist for the remainder of the school year but hope to have three Therapists in the fall. We will also celebrate with a grand opening of the new Center at the start of the next school year with planned events for students, families and the Community. I will be joining different upcoming staff meetings to refresh everyone on the referral process and answer any questions you may have.

Rita Pinchot, the CHS Intervention and Prevention Specialist will also be moving into the Health and Wellness Center providing groups and one on one sessions with students.

Some of you may have heard about an additional project the District is a part of. We secured an additional grant through SWACH to launch a Community-Clinical Linkages Program or otherwise known as K-Link.

In the fall of 2019, a group of organizations from the health, social services, educational and law enforcement sectors in western Klickitat County began developing a plan to address the needs of its community's underserved populations in response to the SWACH funding opportunity. Current K-LINK partners include: Bingen/White Salmon Police Department, Comprehensive Healthcare, Klickitat County (Mt. Adams Transportation/Senior Services), Klickitat County Health Department, NorthShore Medical Group, Skyline Health, Washington Gorge Action Programs, the White Salmon Valley Education Foundation and the White Salmon Valley School District.

The collaborative program will connect community members to vital services such as food, transportation, housing and healthcare - including mental health care and substance abuse treatment. Although the program was conceived prior to the Covid-19 pandemic, the difficulties many in the community currently face due to the pandemic have been responded to by the group

This grant has allowed WGAP to hire additional Community Health Workers who are assigned to the District. We have partnered with the Pathway Program to support families with housing, rental assistance, utility support, food boxes as well as resources for those experiencing homelessness and Domestic Violence. Another collaboration with WGAP has been partnering with the agency to provide food boxes for families and the WSVSD provides household supply boxes which includes cleaning supplies, laundry detergent, soap, shampoo and sanitary supplies. We also have a collaboration with Mt. Adams Transportation that helps provide rides for students to attend mental health appointments.

To date we have helped over 90 students and families.

I wanted to share the story of one of those families with you. A single Mom with two children reached out during the height of the pandemic. She contacted her child's school office because school is a safe place for her and her children, a place she trusts. On our first meeting Mom shared she had just lost her job of over 10 years and was behind in her rent. She was worried about food for her children. She did not know where to turn as she was also fearful because she is undocumented. The only safe place she knew to turn was her children's school. We were able to immediately get her food boxes and household supplies. As the school year started, we gave the family school supplies and noise cancelling headphones for her daughter who deals with sensory processing issues and was having a hard time with noise within their complex that was distracting her from her online learning. We were also able to provide behavioral health services for the family.

Mom was still hesitant about reaching out to other agencies because she was fearful of immigration, but after developing a relationship with the family I was able to talk to her about resources through WGAP. Because of our partnership with WGAP and working together with their Community Health Workers I was able to introduce her to her Community Health Worker and give a warm hand off.

She has since received wrap around services including payment of back rent and support with rent through the spring. Mom continues to check in just to say thank you.

If you have any questions about services do not hesitate to contact me or stop by the New Health and Wellness and say hello.

Thanks for all you do!

Michelle Ward

Health and Wellness Coordinator

March 2021

In order to be able to provide access to meals each day for all students, we are still sending out 5 days of meals each week free of charge. (5 Breakfast & 5 Lunches) With the waivers we are able to offer this service to anyone 18 and younger. While the numbers have dropped from last year, the ones that we see here at the kitchen tell us they are very grateful, and that this program has been very helpful. When the waivers expires or we go back to normal, (which ever happens 1st) we will have to go to students only and charging accordingly.

Kathy Brooks

Board Report for March 2021

It is hard to believe that it has been a year since COVID shut down our public schools. This month we find ourselves in the beginning of conversations for next year's staffing, student projections, and transition meetings. At this time, I do not see many changes in staffing which is wonderful. Transitions for students will need to be thoughtfully made as we continue to have many mental health and safety needs for our students. We are desperate for a school nurse, by the way. If you know of anyone who has a nursing degree and is interested in working in the public schools, please send them my way.

Highlights:

- TPEP evidence is being collected towards our program and individual teacher goals.
- Projections are complete and transition meetings will begin sooner rather than later to ensure we have time to handle sensitive cases with the care they need
- Safety Net IEPs' are complete turned into OSPI!!! Check, check and done!
- Summer training planning has commenced!

Please let me know if you have any questions or concerns I can help with.

Thank you,

Janelle Tuttle

Director for Special Education, ESD112

Resolution – Emergency Waiver of High School Graduation Credits

BOARD RESOLUTION No. 20/21-04

WHEREAS, Chapter 28A.320 RCW authorizes local school boards to govern their respective districts, including adopting, revising, and suspending local board policies;

WHEREAS, Chapter 28A.230.090 authorizes the State Board of Education to set graduation requirements and authorizes local districts to decide whether a student has met the graduation requirements.

WHEREAS the White Salmon Valley School Board/Public Schools ("Board") has adopted Policy 2410 – High School Graduation Requirements, which establishes that the board will establish graduation requirements that at a minimum satisfy those established by the State Board of Education.

WHEREAS, the Board has adopted and, as appropriate, implemented Policy 2418 – Waiver of High School Graduation Credits, which authorizes the Superintendent or designee to grant waivers of a maximum of two elective credits required for high school graduation based on an individual student's circumstances.

WHEREAS, sections 2 through 3, chapter 7, Laws of 2021 (EHB 1121) authorized the State Board of Education to administer a new and ongoing emergency waiver program, which program is separate from and in addition to the waiver of two elective credits addressed in Policy 2418 – Waiver of High School Credits. The purpose of the emergency waiver program is to provide an equitable mechanism that prevents students from being unduly impacted by unforeseen disruptions to coursework and assessments resulting from an emergency as defined in RCW 38.52.010 or as declared by an authorized federal official. The State Board of Education has adopted emergency rules that respond to the gubernatorial declaration of emergency of February 29, 2020 and apply to the Classes of 2020 and 2021 in the 2020-2021 school year. The emergency rules allow the district to seek waivers for both subject area credit and pathway graduation requirements for eligible students on an individual student basis after the district completes all the emergency waiver program requirements.

WHEREAS, the Board wishes to ensure that the district comply with Chapter 180-111 WAC, which constitutes the State Board of Education's emergency waiver program, so that any district students who would be eligible for a waiver of credits or the graduation pathway or both under the emergency waiver program may thereby benefit.

NOW, THEREFORE BE IT RESOLVED, that the White Salmon Valley School Board/Public Schools hereby authorizes/has authorized the Superintendent or designee to implement an emergency waiver program consistent with WAC 180-111 as the Superintendent or designee determines appropriate. The district will demonstrate a good faith effort, as defined in WAC 180-111-020, to help individual students meet credit-based and pathway graduation requirements through other options before considering the emergency waiver. The district will consult with the individual student, and make a reasonable effort to consult with a parent or guardian of the student, and will make a reasonable effort to provide information about this waiver in the preferred languages of the student, and of the parent or guardian of the student if applicable. This information includes what is being waived for the individual student, potential benefits and limitations that could result from receiving the waiver, including impacts on postsecondary plans, the option for the individual student to decline the waiver and for the student to be provided with the opportunity to earn the credits needed to complete graduation requirements through continued enrollment beyond the planned graduation date. The district will grant emergency waivers to eligible students who desire the waiver and have demonstrated postsecondary preparation, as defined in WAC 180-111-020. The district will maintain a record of courses and requirements waived as part of the individual student record and will report to the State Board of Education as specified in WAC 180-111-040(4).

BE IT FURTHER RESOLVED that the district will ensure equity in administering the emergency waiver. The district's plan will include culturally responsive ways, based on the district's local community, to communicate with students and families about the waiver and the process to request, appeal, or decline the waiver. The district's plan will also include a process for further review and recommendations by a panel under WAC 180-111-040(1) after an initial decision was made to decline an individual student's waiver. The district will review disaggregated waiver data and take appropriate actions to ensure equitable administration if disproportionality is found, including supports under WAC 180-111-020(4) to help students meet requirements before the conclusion of the school year.

BE IT FURTHER RESOLVED that execution of this Resolution is conclusive evidence of the Board's approval of this action and of the authority granted herein. The Board warrants that it has, and at the time of this action had, full power and lawful authority to adopt this instrument. This resolution pertains to the 2020-2021 school year and expires on August 31, 2021, which is the last day the district may seek emergency waiver for the 2020-2021 school year under Chapter 180-111 WAC.
