

Dear Parents,

On Monday, March 22, Paxton Schools will begin to follow the Back to School Plan for Low Risk - Level Green. The district will discontinue the practice of temperature checks each day. Students will be allowed to enter the building at 7:40 AM at **Entrance 1, 2, and 9 for Grades 6-12 and Entrances 1,9 and 11 for Grades K-5 each day.**

Elementary children will continue to be dismissed from the South Elementary doors each day. Please continue to monitor your children at home and notify the school of any illness.

Below is more information from the Back to School Plan:

Low Risk

Minimal cases of COVID-19 within the community. Minimal impact on local healthcare system. Viral and antibody testing is readily available. There are effective treatment modalities for COVID-19 and an effective vaccine is widely available. PPE is easily obtainable through standard supply chains.

- Wearing masks is optional.
- Handwashing and hand sanitizer are encouraged.
- Encourage temperature and health screens at home prior to attending school.
- Busing and transportation will remain normal.
- Students will not be allowed in the building until 7:40 AM with the exception of approved school sponsored activities.
- If ill with Flu-like or COVID-like symptoms, **Stay at Home**
- Breakfast and lunch will be in the cafeteria.
- Note: Activities will follow risk level procedures of the away school as not all schools may be operating under the same risk level guidelines. This includes athletes, coaches, managers and spectators.
