

VICTOR AND KATHLEEN ENGELHARDT HONORARY SCHOLARSHIP

The family of Victor and Kathleen Engelhardt established two \$500 scholarships in their honor. The scholarships will be given to two Unionville-Sebewaing Area School District graduates for the purpose of assisting them financially in securing a higher education.

Vic, a retired farmer, and Kathy, a retired USA Elementary School teacher, are an inspiration to their family and wonderful role models in living and loving well. They are dedicated to helping others become all they can be. Their love and support of USA schools and the USA sports programs inspired these scholarships. May the legacy they began years ago be shared beyond the family and flow into the community. And may the recipients of these two scholarships not only receive financial support, but also a blessing of living and loving well.

**Due date: April 23, 2021**
