Dear Staff, Students, and Families,

This letter is to inform you that an individual associated with Meroby Elementary School recently tested positive for Coronavirus Disease 2019 (COVID-19). There is a possibility that other staff or students came in contact with this individual and therefore may be exposed to the virus. We are informing you out of an abundance of caution. Please monitor yourself/your student for signs and symptoms. Call a health care provider if symptoms start. It is important that you call a health care facility before you show up in person. Stay home if you are sick.

COVID-19 is a respiratory illness that ranges from mild to severe. It can be more severe in adults 60 years and older and in those with underlying conditions. The virus mainly spreads when an infected person coughs or sneezes and an uninfected person breathes in the virus. Signs and symptoms include:

- | | |
|---|----------------------|
| • fever or chills | • cough |
| • shortness of breath or difficulty breathing | • fatigue |
| • muscle or body aches | • headache |
| • new loss of taste or smell | • sore throat |
| • congestion or runny nose | • nausea or vomiting |
| • diarrhea | |
