Saginaw Learn to Earn Academy (the Academy) recognizes that, as citizens, students have the right to request redress of grievances. Further, the Academy believes that the inculcation of respect for lawful procedures is an important part of the educational process. Accordingly, individual and group grievances should be provided for and appropriate appeal procedures implemented.

For purposes of this policy, a student complaint or grievance shall be any such that arises out of actions, procedures, and policies of the Academy or the management company's staff or the lack of such policy or procedure.

The complaints and grievances of the students shall be addressed in accordance the procedures established in Academy Policy 63 - Public Complaints and Grievances.
