Re: CHS Primeland Scholarships

CHS Primeland will be sponsoring eight (8) \$750.00 non-renewable scholarships. These will be awarded and mailed to the college or vocational school to be applied to the student's account. The funds will be sent upon completion of enrollment and with verification information turned into CHS Primeland. The eligible students must reside in an area that CHS Primeland services and has operations in.

Essay Criteria:

Current High School Senior Only (Graduating Spring 2021)

Interested students must submit a 250-500-word essay answering the following question:

"As you pursue a higher education, what is your choice of college major and how will that field of study positively impact agriculture in the future?"

CHS Primeland will judge the essays on quality and content then we will select eight (8) students from the group of candidates that will receive the scholarships.

Essays must be postmarked by March 30, 2021.

The school of the winners will be notified prior to graduation.

If you have any questions, please feel free to contact Kim Wilkening at 208-743-8551 x121
