### WHAT IS SCHOOL SITE COUNCIL?

---

The California EC[1] requires the School Site Council (SSC) to develop a Single Plan for Student Achievement (SPSA) for ConApp programs operated at the school or in which the school participates. In addition, Pupil Retention[2] and School and Library Improvement Block Grant programs[3] operated at the school must be included in the SPSA. The SSC must approve the plan, recommend it to the local governing board for approval, monitor implementation of the SPSA, and evaluate the results. At least annually, the SSC must revise the SPSA, including proposed expenditures of funds allocated to the school through the ConApp, and recommend it to the local governing board for approval. Also, the SSC annually considers whether or not the school will participate in the School-Based Coordinated Program (SBCP) and indicates its decision in the SPSA.
